Honorary President,—Rev. Dr. Campbell.

President,—Miss Annie McCrae.

About 28 names are on the roll, although our average attendance is only 18. These names are divided up into five committees, so that each child is placed on some committee and has some work to do. Three new members were added to the roll, while old members have returned to the meetings. During the Christmas season, 24 needy children of the city received clothing. 3 dolls were dressed and sent to the hospitals.
