PREMIER DECLARES THE MUNICIPALITIES MUST PAY

Fredericton, March 2.—The house met at 8:45 p. m.

Mr. Baxter presented a petition in favor of a bill relating to the harbor of St. John; also a petition of the trustees of school district No. 2 in the parish of Lancaster in favor of a bill authorizing them to issue debentures.

Hon. Mr. Wilson presented the petition of the city of St. John in favor of a bill to consolidate the law relating to sewer and sewerage in St. John.

Hon. Mr. Fleming introduced a bill to amend the general statute act, 1912.

Hon. Mr. Clarke introduced a bill to legalize certain marriages; also a bill to amend a certain error in the municipalities act of 1912.

Hon. Mr. Fleming said that the government had no intention of changing the law passed at the last session providing that each municipality should pay \$1 a week for each of their patients in the provincial hospital. He said that a Nova Scotia each municipality paid \$2.50 head and he thought that \$1 per head was not an injustice.

The house went into committee with Mr. Woods in the chair, and agreed to the bills to legalize certain marriages and respecting the Jordan Memorial auditorium repairs.

Hon. Mr. Fleming, in explaining, said the latter bill provided for the payment of \$10,000 additional for permanent work at the institution. The amount of unpaid bills at the present was only \$4,000 and \$6,000. The amount provided for in the bill would be sufficient for all work now in contemplation. The house adjourned at 9:30 o'clock.

SEEK TO WIN BACK FRENCH CANADIANS FROM STATES TO TAKE FARMS IN THE WEST

Worcester, Mass., Mar. 2.—An invasion of the Massachusetts French-speaking centers, including Worcester and other cities is being planned by the Colonization and Immigration Society of Quebec, to induce the people to back to the Canadian northwest to settle on homesteads.

This society which is supported by the Canadian government, has George Anstetter, as Worcester agent, and he has received a communication from

Dr. Morse's Indian Root Pills

headquarters that L. E. Carleton, corresponding secretary, and Dr. J. A. Blodgett, general agent will be in Worcester before April 1 to lecture on the Indispensable Canadian government and railroads are offering the French-speaking people to return to Canada.

Bad Blood

is the direct and inevitable result of irregular or constipated bowels and clogged-up kidneys and skin. The undigested food and other waste matter which is allowed to accumulate poisons the blood and the whole system. Dr. Morse's Indian Root Pills act directly on the bowels, regulating them—the kidneys, giving them ease and strength to properly filter the blood—and on the skin, opening up the pores. For pure blood and good health take

Dr. Morse's Indian Root Pills

SUFFERED EVERYTHING

For Years, Restored To Health by Lydia E. Pinkham's Vegetable Compound.

Canadian women are continually writing us such letters as the two following, which are heartfelt expressions of gratitude for restored health:

Glanford Station, Ont.—"I have taken Lydia E. Pinkham's Vegetable Compound and never found any medicine to compare with it. I had ulcers and falling of womb and doctors did me no good. I suffered dreadfully for years until I began taking your medicine. I also recommend it for nervousness and indigestion."—Mrs. HENRY CLARK, Glanford Station, Ont.

Chesterville, Ont.—"I heard your medicines highly praised, and a year ago I began taking them for falling of womb and ovarian trouble.

"My left side pained me all the time and just before my periods which were irregular and painful it would be worse. To sit down caused me pain and suffering and I would be so nervous sometimes that I could not bear to see any one or hear any one speak. Little specks would float before my eyes and I was always constipated.

"I cannot say too much for Lydia E. Pinkham's Vegetable Compound and Liver Pills, for there are no medicines like them. I have taken them and I recommend them to all women. You may publish this testimonial."—Mrs. STEPHEN J. MARTIN, Chesterville, Ontario, Canada.

Don't Put Off seeking relief from the illness—caused by defective action of the organs of digestion. Most serious illnesses get their start in troubles of the stomach, liver, bowels—troubles quickly, safely, surely relieved by

INQUEST INTO FATAL FIRE AT GRAND UNION

Witness Tells of Unsuccessful Efforts to Save Lives—Jury Interested in Provisions For Exits and Fire Escapes

The question of providing better equipment for guarding the lives of boarders at hotels in case of fire, was considered last night at the opening of the inquiry into the deaths of Frank Blanc and Alfred Johnston, who were suffocated last Tuesday night in the fire in the Grand Union hotel. Several witnesses were examined and an adjournment was made until Wednesday night, when it is probable that the inquest will be completed. Among other things, it is probable that the jury will recommend amendments to the law which provides for hotel equipment of this nature.

W. A. Wetmore questioned Factory Inspector Kenney concerning a plan in the city employing thirty girls, which he said, was not equipped with more than direct the guests to the fire escape. The inspector said he knew nothing of the case.

The coroner asked Mr. Kenney if he would consider himself responsible if a disaster should occur at that building as a result of its not being properly equipped for fire emergency. The inspector replied that he would consider himself responsible to some extent at least.

Coroner Roberts presided over the inquiry and the jury who heard the testimony of the witnesses was as follows: R. T. Hayes, foreman; W. H. White, Edward Bates, W. A. Wetmore, F. S. Thomas, James Lewis and R. J. Walsh.

Wm. McQuade proprietor of the hotel told of being summoned to the fire and descending the stairs. He said he had no person in charge of each floor, but thought it practicable to do so. He could accommodate seventy-five persons in the hotel.

With respect to the means provided for the boarders to escape in case of fire, the witness said that there was a rope in each of the rooms, sufficient length to reach to the ground. He said that there were no lights or anything else to direct the guests to the fire escape. The law did not require such, he said, but at the same time, he thought it a good idea. A fire man in the building to awaken the guests, he also thought a very practicable arrangement.

The witness said that no one had told him that the little Johnston boy was in his room, but he understood that the boy's mother had said so, in the other room before he had arrived. Mr. McQuade said that he was quite satisfied that the firemen and all concerned did their very best after the time he arrived. Several of the jury asked questions of the witness. In answer to one of them Mr. McQuade expressed it as his opinion that Le Blanc died of heart failure.

Attempt to Rescue Lad.
Ezzyzy L. Levers, a cook in Wanamaker's told of the young Johnston boy being at his house, near the hotel on the night of the fire. The boy had returned to the house about 9 o'clock, and about half an hour later the fire started. The witness said that he rushed into the hotel at once, because he knew the lad would be asleep. At the second floor, he said, he met a fireman, and told him of the boy being in the room. The fireman assured him he would do something, but he was not satisfied with the answer he went to Policeman Gibbs and told him of the boy being in danger. The policeman, he said, told him that that was the salvage corps' work. Witness said he had seen similar evidence was given by James Sterling of No. 1 Salvage Corps.

Policeman Gibbs told of being informed by a man that young Johnston was in a burning room. He told Jarvis Purdy, a Salvage Corps man, about it, he said, and the latter left him to go to investigate. Detective Lucas

WEAKNESS AND PALPITATION OF THE HEART.

When the heart begins to beat irregularly, palpitated and throbs, skips beats, and sometimes seems to almost stop, it causes great anxiety and alarm.

Many people become weak, worn and miserable, and are unable to attend to either social, business or household duties.

Milburn's Heart and Nerve Pills are a specific for all weakness and heart disorders, and are recommended by us with the greatest of confidence that they will do what we claim for them.

Mrs. George Rurridge, Coboconk, Ont., writes—"Just a few lines to let you know what Milburn's Heart and Nerve Pills have done for me. I have been troubled with weakness and palpitation of the heart. I tried many remedies but got none to answer my case like your pills did. I can recommend them highly to all with heart or nerve trouble."

Milburn's Heart and Nerve Pills are 50 cents per box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

RECENT DEATHS

Friends of Mr. and Mrs. Alton L. Mills will sympathize with them in the loss of their daughter, Isabella, aged four years. The death occurred at the home of Mr. and Mrs. H. A. Chandler, 88 Wright street, and the funeral will be held from there tomorrow afternoon.

Mrs. Elizabeth A. Murray, widow of David Murray, died at her home at Bellside Creek last Saturday. She leaves six children, two brothers and two sisters.

John McKenzie died on Saturday at his home at Mascarene near St. George's. He was seventy years of age and leaves his wife, one son and two daughters.

The death of Mrs. Matthew Wood occurred at her home in Macaan recently. She was the only surviving member of the family of the late Edward Brownell, of Joliette, and was in the 80th year of her age. She left a husband, two sons, Carriette, of Macaan, and James in Vancouver, B.C., also a daughter, Miss Lily, of New York.

The death of Albert Boone, aged 73 years, occurred at the home of his son, George Boone, at Joliette, Quebec, on February 21. He was a pensioner of the C. P. R., and had made his home at McAdam Junction for many years. The late Mr. Boone was connected with the C. P. R. since it first opened for traffic 45 years ago. He was a native of Geary, Sunbury county. Besides his wife, eight sons, Walter H., and Byron E., of McAdam Junction; William, of Geary; Dow, of Arrowsbrook; Beverly, of Montreal; Charles, of Fredericton; John, of Portage, and George of Joliette, P. Q., and three daughters, Mrs. George Guen and Mrs. Arthur Morecraft, of McAdam Junction, and Mrs. Louise Vall, of Flume Ridge, Charlotte county, survive. One brother, Mr. Alex Boone, of North Lake, York county, also survives.

THINKS THIS IS WORLD'S RECORD FOR STEAM SHOVEL

Spokane, Wash., Mar. 2.—Moving 288,000 yards of earth and rock in thirty days, a steam shovel operated by the Oregon Washington Railroad and Navigation company in connection with its Spokane terminal work is credited by J. R. Holman, vice-president and chief engineer of the railroad, with breaking a world's record. The material was moved for a big fill being made parallel to the river in the west end of the city.

The company is handling here one of the largest pieces of construction work in the west, including a big steel bridge across the falls in the heart of the city, also a union passenger station to be shared with the Chicago, Milwaukee and St. Paul. Construction of the bridge will be started on March 1, and Mr. Holman believes the entire terminal work will be completed by June.

TO BAR ARBOOSTOOK POTATOES

Fredericton, N. B., March 2.—The thirty-eighth annual meeting of the Farmers' and Dairymen's Association of New Brunswick opened tonight in the city council chambers with a large attendance. The sessions will continue through the week, and will be held when the meeting will close. Demonstrations of various kinds will be given at the exhibition building during mornings and evenings.

A seed fair will be held there on Thursday and Friday.

President W. H. Moore delivered the opening address tonight. Mayor Hooper welcomed the visitors on behalf of the city of Fredericton; H. H. Smith responded on behalf of the association; Hon. J. A. Murray, M. P., minister of agriculture for New Brunswick, delivered the address of the evening in which he reviewed what his department had done and what it proposed to do.

In his address Mr. Murray dealt with the matter of the United States embargo upon Canadian potatoes, and said that the New Brunswick department of agriculture had opened negotiations with the department at Ottawa for an embargo to be placed on potatoes from Arboostook county, Me., by Canada.

When a trolley running into Lowell was stalled in the snow one day recently several of the men passengers stopped a farmer who appeared from the direction of Lowell, driving a long wood sled, and made him drive them to town against his wishes. He later allowed that the 88 they gave him as fares was more than he had expected to earn that day.

"Officer, it's very cold aboard this ship," said a man. "We're giving her a new coat of paint."

TOOK SEVERE COLD.

Left A Terrible Hard Cough And A Nasty Ticking Sensation In The Throat.

A bad cough accompanied by that distressing, tickling sensation in the throat is most aggravating.

Dr. Wood's Norway Pine Syrup is rich in the lung healing virtues of the Norway pine tree, and for this reason it will stop that tickling in the throat which causes that dry hard cough that keeps you awake at night.

Mr. Sanford Roodie, Antrim, N.S., writes—"Last fall I took a severe cold which left me with a terrible hard cough and a nasty tickling sensation in my throat. I tried many cough medicines, but they did not help me so I got a bottle of Dr. Wood's Norway Pine Syrup, and before I had used half of it the cough had left me, and the next one made a complete cure, and I will recommend it as the best cough medicine on the market."

See that you get "Dr. Wood's" when you ask for it. Do not accept any imitation. The genuine is put up in a yellow wrapper, three pine trees the trade mark, price, 25 and 50c., and manufactured only by The T. Milburn Co., Limited, Toronto, Ont.
