CAMP DISCIPLINE AT M'GILL STADIUM FOR THE ATHLETES IS QUITE STRICT

"Beef" Malcolm is doing 40 Feet and Better Consistently, According to Letter From Him Today—Ross Cameron Already has Done 21 Feet—"Not Like Kennedy's," Says "Beef."

"Beef" Malcolm, St. John's great shot putter, is having no trouble doing 40 feet and better at the McGill Stadium where he now is in training for the final Olympic tests there on June 17 and 18 next, according to a letter received from the genial St. John boy this morning. He has a new shot. It is a lead one with brass covering and is about the size of the 12-pound iron and is the required weight. His letter, which is full of interesting notes, in part says:

"We arrived Sunday night, feeling pretty tired after our 22-hour journey. "Phil" MacDonald met us at the train and escorted us to the Stadium. He is almost as brown as "Barney" Francis. There are about 33 here now and I am not sure if any more are coming. None of the Quebec boys are here but I believe they are in training elsewhere. Tom Phipps and I are the only shot putters here although there is a deputation man here. They say there are two more coming here but from where, I don't know."

"Cyril Coiffe is track captain and leads us in the warm-up. We have to run just as fast as we can and poor old Tom can hardly keep up the pace. I guess we must have done the 440 in 62 seconds this afternoon. We are at the McGill Stadium and I am sleeping in a box-shaped affair with a little thin mattress on which to lay. I might as well be on the board floor. We have two army blankets, no sheets. Some difference from the Kennedy House at Hothey! I miss the old bunch there. They were a great bunch. The food here is very good but we got tired. Bacon and toast and coffee for breakfast, cold ham, potatoes, toast and ice cream for dinner and goodness knows what for supper. I am writing on my suitcase and am in a big hurry."

"Today was a scorcher. Ross Cameron, of Pictou, apparently has recovered from his stameness as he did 21 feet in the broad jump. We are sleeping here in three rooms—17 men in our room."

Training Regulations

Malcolm also enclosed a copy of the training programme, which makes interesting reading. It is as follows:

1. The athletes are respectfully requested to refrain from making a noise while fellow athletes are sleeping.
2. Every athlete must be in bed every night by 10 p.m.
3. Every fellow will be called at 7 a.m. every morning and must report at once to field for physical exercise. Should it be wet and weather conditions such that they cannot go out doors, the exercises will be performed inside.
4. Athletes must report regularly at the training table at breakfast at 8 a.m. at the Y. M. C. A., 127 Drummond street, all are asked to note that it takes about 20 minutes to get to the Y. M. C. A. BE PROMPT! Lunch hour 12:30 p.m. Dinner hour, 6:00 p.m.
5. No athlete may leave camp at any time without first receiving permission from the coach, or in his absence, from the track captain.
6. The track captain is Cyril Coiffe of Winnipeg, whose wishes are to be respected.
7. Training tables will be given each athlete, the work of which begins at 10:30 a.m. and finishes at 11:45 a.m., work begins in the afternoon at 3:00 and finishes at 4:30, the balance of the evening is free for all. (See paragraph 5.)
8. The athletes are reminded that this camp is run under daylight saving time.
9. All athletes are asked to respect the wishes of McGill University, to whom we owe so much for the camp privileges, also the coach and any assistant he may appoint. A high standard of gentlemanliness is respectfully asked from all.
10. It is the desire of McGill University authorities that the athletes keep off the centre of the field as it is under repair."

ROYALS BEATEN BY GUNNERS, 13-9

Ragged Contest Marked by Heavy Hitting in South End Last Night.

The Machine Gunners continued their heavy hitting last night at the expense of Earl Nelson, Royals' southpaw, and won out 13 to 9. Both Brookings, the Gunners' twirler, and Nelson were unsteady in the first inning, the Royals scoring four times and the Gunners counting six. It was ragged baseball all the way after that, with the Gunners managing to keep on top.

Following is the official box score and summary:

BEAR SPIES PENN OARSMAN IN FOREST AND GIVES CHASE

Poughkeepsie, N. Y., June 11.—A. S. Goetz, No. 5 in the Penn varsity eight, went for a walk a few days ago. He was gone for three hours and Coach Jim Rice began organizing a searching party when Goetz was seen to break from the edge of the woods, hitting a stroke that was well above forty. For five minutes after he reached the shore, the forest he became lost and then explained that in the rushing through the forest he had become lost and then upon a bear. The bear looked aerially at Goetz, and then started for him. The race was on and the oarsman ran, with the bear in pursuit, until he reached the crew house, saw the Penn oarsmen have resolved to confine their stroll to the town of Highlands where the mountain bears are afraid to venture because of the policeman and two electric lights on Main street.

Emulates Washington Monument Stunt—Yesterday's Big League Features.

New York, N. Y., June 11.—Ed Brown, an outfielder from Indianapolis, newest Robin, made two hits and a sacrifice in yesterday's 4-2 victory over the Cubs. Cleveland yesterday made it four straight from Washington. The world's champions, educated to expect good pitching, which has not been forthcoming, indicated what other teams in the American League may expect if the five-star staff rounds into form, by beating St. Louis, 3 to 0, as Walter Hoyt pitched one of his few good games this season.

The Browns were visited by the usual jinx which attends home celebration. George Slaughter received his diploma as the most valuable player in the league in 1922. Babe Ruth, a new slant to his repertoire by catching a ball thrown from a dirigible from a height which is said to have equalled that of the Washington monument from which Gabby Street once caught a thrown baseball.

The Giants, not expecting good pitching and seldom getting it, were unable to overcome Bentley's defiance, which permitted the Pirates to score nine runs in the last two innings and win 10 to 6.

A not a respecter of even good pitching ordinarily, the Red Sox were compelled to bow to Cuyegros and McQuinn in yesterday's 18-inning game, Chicago, 3 to 2, when Falk hit a homer in the final frame. The defeat brought Boston back to a tie for first place with the Yankees.

Homers by Critz, Donahue and Bresler, gave the Reds a 4 to 2 win over the Phillies. Jess Barnes, after a bad start, pitched and won for the Athletics, beating the Cards, 6 to 2. The Athletics staged a ninth-inning rally for a 4-3 win over Detroit.

MONCTONS BAT WAY TO VICTORY

Pole Out Thirteen Hits and Defeat Vets by a Score of 7 to 3.

Moncton, by timely and frequent hitting, sent the Veterans home from the East End grounds last evening with a 7 to 3 defeat tag. Some of the Vets looked Moncton to victory by a succession of errors, one by Ramsey and two by McGowan on many chances in one inning helping Moncton to three scores.

Stick work merited the game for the visitors, however, for they hammered 13 safe ones from Tippetts' delivery, while the best the locals could do was seven. The Moncton team gave a nice field exhibition as well. Leader, their twirler, pitched a heady game, using that valuable asset known as "his bean" to the saving of his arm. Tippetts grew much more effective in the late stages and stopped the run getting after the seventh inning, bringing his strike outs up to eight, but the local bats were not able to break the Moncton defence and get any more runs.

In the first inning McGowan smashed one into right field and the ball bounced into a window near the gate—result, a home run. McGowan also hit a three-bagger as did Johnny McGowan, McCarthy, O'Regan and Moore. The Moncton team gave a nice field exhibition as well. WINS ENGLISH FENCING TITLE

C. H. Biscoe, London Viceran, is the New Epic Champion.

C. H. Biscoe of Salle Bertrand, London, is the new epic champion of the Amateur Fencing Association of England. His triumph is the outcome of years of constant endeavor in which his enthusiasm has never failed. A prominent member of the Amateur Fencing Association, he has done much to further the sport in Great Britain.

In the final pool Biscoe's score was nine victories and one defeat, while M. D. V. Holt of the London Fencing Club, was second, with eight victories and two defeats. In the meeting between these two in the eighth round Biscoe won. In the closing stages, when a tie seemed probable for the title, Major London Whitehouse of the Royal Automobile Club practically settled the outcome with an agile lead at Holt which was little short of sensational. An acrobatic feat the critics called it, the point landing on the mask. Biscoe then captured the championship by easily defeating Campbell Gary of the Royal Automobile Club. Gary finished third in the tournament, with six victories and four defeats.

The final pool of twelve was held on the west covered court of the Queen's Club after the semi-finals had been decided in the gardens of Lincoln's Inn. The covered court proved an excellent venue, for in contradistinction to the gravel terrain of Lincoln's Inn, the tennis court assured a firm foothold by its wooden and resilient flooring. The critics called it fencing de luxe, although the conditions were somewhat artificial for modern duelling. Nevertheless, it was considerably more enterprising step to hold the championship final at such a well-known centre of sport and it is expected to do much toward popularizing fencing in England.

GOVERNMENT TO ASSIST ATHLETES

A Grant of \$200 to Those Making the Canadian Olympic Team.

It was announced by A. W. Covey, president of the M. P. B. A. of C., last evening that the Provincial Government had decided to give \$200 towards the expenses of each New Brunswick man getting a place on the Canadian Olympic team, providing no more than five were selected. Mr. Covey said Hon. P. J. Venier, Premier of this province, told him of the Government's decision yesterday afternoon.

Already Hilton Belyea has been named to represent Canada in rowing and Charles I. Gorman already has competed in the skating. The offer of the province holds good for three more.

Mr. Covey also said that Chumtown had made a grant of \$200 towards the training expenses of the Maritime athletes trying for places on the Olympic team.

OLYMPICS WIN TWO.

The Olympics defeated the Robertson, Foster & Smith team last night on the King George diamond by a score of 16-2. Foshay and London formed the battery for the winners and Brown, Sparks and Hartshorn for the losers.

In a second game the Olympics defeated the Red Wings on the King George diamond by a score of 9-4. The Kings were manhandled by the winners, who went six innings. London and Foshay formed the battery for the winners. Gray and Garlan for the losers.

The Olympics wish to challenge the Wanders to a game of ball to be played on the King George diamond Friday night at 7:30. If accepted please answer through The Times.

ALTAR BOYS WIN.

St. Peter's altar boys' baseball nine vanquished the Blue Ribbons in a game of baseball played last evening on St. Peter's Park by a score of 17 to 6. Downing, E. Butler and Fowle formed the battery for the winners, and McCauley, Oland and McDonald for the losers.

DONATES SCORE BOARD.

Everett Hunt, Charlotte street, has donated a well-made and large score board to the G. W. V. A. The board is some 12 feet square and the figures can be easily discerned from the grandstand. It has been placed in centre field on the East End grounds. The Vets are very appreciative of Mr. Hunt's generous act.
