

but should not have done so before our friends and
the public. It is a pity that the report of the
Great Exhibition is so late in coming to the
public. The means by which it has
been delayed for the time being are
as follows:—

The first cause is the delay in the
publication of the report of the
Commissioners. The report of the
Commissioners is not yet published,
and we are not yet in possession
of it. The second cause is the
delay in the publication of the
report of the Commissioners. The
report of the Commissioners is not
yet published, and we are not yet
in possession of it. The third
cause is the delay in the
publication of the report of the
Commissioners. The report of the
Commissioners is not yet published,
and we are not yet in possession
of it. The fourth cause is the
delay in the publication of the
report of the Commissioners. The
report of the Commissioners is not
yet published, and we are not yet
in possession of it.
