EUROPEAN INTELLIGENCE.

Arrival of the Scotia;

FROM THE STATES.

BANGOR, June 18. No confirmation yet of Petersburg capture In Storges' defeat one body of 1600 in fantry were cut off and are supposed to have been captured. They were defended by 200 negro troops from repeated assaults of ene-my's cavalry. While ammunition trains was being destroyed, negroes filled their pockets and bosoms with cartridges, enabling them to keep up fight till they reached Memphis. Fearful explosion of fire works occured at Washington Arsenal yesterday. Occupants & h & & t u n b u r b. bodies were taken from ruins. Several more

mortally wounded, many less severely.

details of French victories in Algeria and indicates that the insurrections must soon be forced to disperse.

Shanghai, April 27.—Gen. Gordon was defeated at Warsoo, and an early surrender of Nankin and Loochoo was expected.

Melbourne, April 26.—New Zealand advices report two severe engagements in one of which the English troops suffered a severe reverse. There was no immediate prospect of the campaign closing.
