NOTICE

1. Files should be removed no longer than absolutely necessary. If a file is frequently wanted at short intervals, it is better to R.F. it for two or three days than keep it out of Central Registry indefinitely. This practice is being completely and kept in order, and when given either written or telephonic authority.
2. Central Registry should be notified whenever a file is passed direct to another branch.
3. All outgoing letters should have the official "file number".
