## Quality Store

Little by little things are getting in shape, it was a bad proposition, but I am right on my job. I am used to it all my life and KNOW HOW—There's a lot of fun in it too, as well as labor.

Now I'll tell you the best way out, come right along, don't mind how busy we are, you will be most surprised the attention we will give you, and if there are any mistakes, why just whisper them to us, and what a pleasant face we will wear while we are rectifying same

Thank you so much,

## MOTHER OF LARGE FAMILY

Tells How She Keeps Her Health—Happiness For Those Who Take Her Advice.

Scottville, Mich.—"I want to tell you how much good Lydia E. Pinkham's Vegetable Compound and Sanative Wash have done me. I live on a farm and have worked very hard. I am forty-five years old, and am the mother of thirteen children. Many people think it strange that I am not broken down with hard work and the care of my family, but I tell them of my good friend, Lydia E. Pinkham's Vegetable Compound, and that there will be no backache and bearing down pains for them if they will take it as I have. I am scarcely ever without it in the house.

"I will say also that I think there is no better medicine to be found for young girls. My eldest daughter has taken Lydia E. Pinkham's Vegetable Compound for painful periods and irregularity, and it has helped her.

"I am always ready and willing to speak a good word for Lydia E. Pinkham's Vegetable Compound. I tell every one I meet that I owe my health and happiness to your wonderful medicine."

—Mrs. J. G. Johnson, Scottville, Mich., R.F.D. 3.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs, and today holds the record of being the most successful remedy for woman's ills known.

Another Will Die.

Kingston, Oct. 5.—The Bay of Quinte Railway wreck of Wednesday last will claim a second life, as Mrs. A. F. Fahl of Champlain Falls, N.Y., badly injured, is dying.

The spreading of rails near Tamworth was the cause of the third wreck on the line inside the railway hours. Fortunately no person was hurt. As a way freight was coming into Tamworth, two cars loaded with coal, jumped the track while going over a switch, and toppled over.

West Toronto Accidents.

Toronto, Oct. 5.—Walter Miller, 164 Mulock avenue, had his hand badly crushed in the West plant mill, West Toronto, yesterday. After being attended to by Dr. McNamara he was conveyed in an ambulance to his home.

James Cook of Brampton, a married man, 45 years of age, had his left hand crushed while coupling a car at the C.P.R. yards, West Toronto, yesterday morning. He was removed to the Western Hospital.

No One to Blame.

Kingston, Oct. 5.—A coroner's jury found no one to blame for the fatal railway wreck near here. The road-bed was shown to be in good condition, and also the box car that first jumped the track.

## WIRES ARE SILENT

Little News is Being Received From Turkish Frontier.

BRITISH FLEET IS SENT

Mediterranean Squadron Is Ordered to the Levant In Case of Serious Trouble—Crowd In St. Petersburg Are Roused to Religious Enthusiasm by the Thought of Expelling the Turk.

London, Oct. 5.—The wires from the near eastern capitals last night were somewhat ominously reticent or altogether silent. A brief dispatch announced that railway traffic had been stopped between Constantinople and Mustapha Pasha and Dodegatchah and confirmation of the news that Bulgarians had crossed the Turkish frontier was practically the only information of a military nature received in London yesterday and shows that the telegraphic censorship is active.

One hopeful sign, however, is the fact that diplomatic relations still remain unbroken and that apparently no ultimatum or a declaration of war has been made. Therefore diplomacy still has time to act in the interests of peace.

At present the European negotiations looking to peace are centred in Paris, but it still seems to be undecided whether action in this direction shall be taken by a concert of the European powers as a whole, or by Austria and Russia as the representatives of Europe. It is believed difficulty is being found in reconciling the views of the situation held by Austria and Russia and although a more hopeful view of averting war prevailed yesterday it is thought that unless the powers act promptly it may be too late to prevent an explosion.

## SHE FAINTED WITH THE AGONY

"Fruit-a-lives" Cured Her Kidneys

Col. Hughes in Submarine.

London, Oct. 4.—(C.A.P. Cable.)—Col. the Hon. Sam Hughes and party visited Portsmouth and lunched aboard the Admiralty yacht Enchantress with Mr. Winston Churchill. They visited the Dreadnought Hercules. Commander Roper, formerly of Canada, accompanied the visitors. Col. Hughes was Mr. Churchill's guest on the yacht overnight and early yesterday morning both took a submarine trip.

Janitor Guilty of Libel.

Halifax, N.S., Oct. 4.—Jas. Maga, janitor of the Halifax Herald building, was yesterday sentenced to spend fifteen minutes in jail for newspaper libel.

It was alleged that a newspaper purchased from Maga contained the libel that an alderman had gloated over the death of the governor of the city prison.
