3,500 bail and Corder was held in deall to bail.

The alleged conspiracy has to do with the furnishing of metal supplies the proposition.

The council had been in session for about two and a half hours and no mention of a report on the subject had been broached when Ald. H. M. Fullering & Refining Company had on hand large quantity of zinc, rolled sheet netal and boiler plate, and that Chief clerk Meyer, of the navy yard store-steeper's office, decided that the government needed this material. It is charged ment needed this material. It is charged paying for more than they were getting

ildermen who were present, H. M. turned to Alderman Okell and asserted that he, at any rate, had expressed himself in favor of the proposition. This drew upon his head another denial. Ald. Okell shook his head in reng the government. The contract for sponse to a direct query and on being Interrogated in more trenchant terms, ied firmly in the negative. "Well, I'm"—(a long pause punctuat-

ed by the laughter of the other alder-Treat Western Smelting & Refining men) Yes, I'm a liar," concluded H. M. Ald. Okell did not think that such a drastic conclusion was necessary, and decisions. e suggested that instead of being a liar H. M. was merely wrong, a not unusual position for all of the aldermen, verally and individually.

"Yes, I'm wrong," replied the big alone that did not altogether carry conould be the right thing for the city the city.

tion." (Laughter.)

Ald. Okell then had a kick at the ution. He pointed out that during the Maple, have been obtained. conference no satisfactory reply had been given the questions of the aldermen as to the actual cost of the city free patients. Yet there they were in-

uffa received instructions by tele- knowing the extent of its indebtedness hone how to deliver the money. He to the institution if it was indebted at xplained he had nothing like \$10,000, all. As a matter of fact, the system it he was laughed at in scorn by the under which the hospital was operated idnappers. Buffa is so frightened he did not conform to the requirements of the situation and he thought the present would be a good time to inform the

directors of the fact. Mayor Morley took a similar view of the situation and suggested that it might be possible to get out of the difculty by running their own hospital. He saw no reason why, at the present esity on behalf of the hospital. What they were immediately concerned about was the actual cost of the city patients.

a grant

Ald. Moresby, while favoring doption of an improved system by the hispital, thought that the \$1.50 was not ut of the way. Whatever difference there might be between that figure and same view was expressed by Ald. Ross. Finally, after everyone had had a say for and against, Ald. Bishop curtly moved that the resolution fixing the rate at \$1.50 be adopted. H. M. Fullerput Ald. Okell emitted a stout "no," but of course the motion carried. Immediately afterwards the council made a grant of \$5,000 to the hospital, so that last night was a good one for the Royal Jubilee hospital.
