May Meet To-Morrow.

London, Oct, 27 .- All the cabinet min isters have been instructed to hold themselves in readiness in case a cabinet council should be necessary. This led to a report that a council had been summoned, and naturally increased the popular excitement as it was interpreted as an indication that the government was about to take a final step. No cabinet meeting has been definitely fixed, but one will undoubtedly be held before the govrnment takes action of an important ecisive character.
