I beg to call the attention of Millmen and Lum-ermen to my new Machines, viz., my COMPOUND EDGER AND SIN- Thursday, the 16th Day of Jan., next, at three o'clock in the afternoon.

Dated 28th Dec. 1878.

A. A. DAVIDSON, Secy. GLE EDGER, AND MY RE-SAWING MACHINES

My Edgers have now been running in St John, and Miramichi for twelve mon'hs and have given every satisfaction desired and I feel pleased to be able to refer to any of the Mill owners who have them, including:—Mears. Randolph and Baker, Long & Barnhill. Clark Bros.—Firms of such standings as are well able to actise intending purchasers as to what is best for their interests and in

COMPOUND OR DOUBLE MACHINE will edge 10,000 feet per hour, if re tuired. My Sixste Edours, which I am getting up expressly for
Steam Mills of limited power, with a view to do the
most work with the fewest hands, will be about
half the weight of the Compound, and about half
the price, will have only two saws and will run 40,
000 feet per day of 10 hours. My RR-SAWING MACHINE,
is got up expressly for recutting deals and scantling from four inches down to 1 in. thick or deals
into boards any thickness.
Plans, specifications and estimates furnished.
N. B. An experience of 40 years in all the
branches in the above lines enables me to guaranee all work that may be entrusted to my care. JAMES NEILSON.

MESS BEEF.

LANDING: -30 bbls, EXTRA MESS BEEF, the Kennedy Brand. For sale by HARDING & HATHEWAY, 17 and 18 South Wharf, St. John.

Miramichi Advance.

CHATHAM. - - - JANUARY 16, 1879.

The Central Railway. It appears that the gentlemen interested in the Central Railway project are determined to push their claims authority, stated that such arrangements had been entered into as gave assurance of the speedy construction of the Miramichi line. We do not wish to appear inquisitive, but, in the interest of the public, we think the nature of the understanding arrived at between the Miramichi Valley men and those of the Central line should be known. Valuable time is passing and scheme hard at work, while those of tion of Mr. Gibson and his associates.

and the other gentlemen who were named as having secured the co-opera-been made against him. The work to be have succeeded in doing so, but a peti- of the position very small. Yet the Govtion which is now being circulated by the latter gentlemen entirely ignores the Thomas f. Gillespie, Esq., M. P. P., to Miramichi Valley Road and looks like one half of the office and Wm. A. Park, everything else but assistance in pro- Esq., to the other half. Mr. Gillespie in moting it. It is in order for these forms us that he declines to accept, as he moting it. It is in order for these gentlemen to explain to the people of gentlemen to explain the gentlemen to explain th GENTS' FUR GAUNTLET GLOVES. the Miramichi what their connection it and was never aware of any intention at and arrangements are with the Central Ottawa to make the change. What Mr. people. It is said that the report that Park will do with his half we do not know, there was a probability of the promoters of the two schemes agreeing had no wishing to be one-half of an Official Asers of the two schemes agreeing had no foundation in fact, and that the whole design of the Central people was to assignee here. There are different conjectures affoat in connection with the matter. One is that misrepresentations have been made design of the Central people was to as certain the plan of action proposed by their rivals in order to facilitate their scheme and keep ours back. We would scheme and keep ours back. We would like to believe that such is not the case, as a member of the New Brunswick Asbut the course taken by Mr. Gibson and his associates gives color to the pirant to legislative honors to secure the and his supposed accomplice, Mrs. Ward, rumors which have reached us. The vacated seat. Another rumor is that it were found guilty :matter is one of public importance and the people concerned ought to know his half of the office and the effect would Edward Ward, the husband of one of the just how their interests have been be the transfer of it to the Shiretown from prisoners, and it was the sequel to numerhandled by those who have taken charge | Chatham. Another, that the Dominion ous domestic troubles and differences. of them.

> VENNOR was not so far wrong, after all in his weather predictions for the

Southwest Boom Company. Tobacco! Tobacco!! Scott, newsooy, was insent to death in on the same night. At Columbus, Ohio G. Corbett, driver. was frozen to death,

and Edward Wood was frozen to death W. C. McDONALD'S at Berkeley, Virginia, on 4th. We have, however, had comparatively mild winter weather in New Brunswick: THE REASON:-" When the Intercol-

onial Railway was projected, even while it was building, did any one ever sup-pose that freight by it would go from the Miramichi to the Hudson via Mont-CHEAPER THAN CANBE IMPORTED. ON CONSIGNMENT.

PERSONS Trespassing on any land belonging to the Subscribor, will be dealt with a cording to Law, and for information regarding trespassing or trespassirs I will pay business community we are to have covering their heads. The coroner, jailor hard times, instead of what we were and sheriff stood behind the party. promised under the "readjustment of WILLIAM MURRAY,
Argyle House THE Annual Meeting of the NORTHWEST BOOM COMPANY, will be held in the office the of Secretary, in Newcastle, on lawyer. Indeed the M. P. P., won't

face the work at all. FOR SALE OR TO LET. and editorial matter is about all our to right itself, So badly was the work fun." NHE New Building, corner of Water and Duke L Streets, Chatham, Will be sold on easy terms. If dents will make a note of this. News dents will make a note of the corner of the stores and mees will be let for one or more years. Apply solved up to the time of going to press.

REDUCING OPERATIONS. - A Quebec despatch of Friday last, says: "Most of our Timber Merchants are reducing their staff of employees for the coming season."

"What's up?"

A singular proceeding on the part of the when we find the promoters of one Dominion Government is the recent change made in to the office of Official Assigned the other are apparently doing nothing in this County. No more competent offithe other are apparently doing nothing it seems as if those who have taken cer than John Ellis, Esq., who has been official Assignee for a good while, could charge of our interests are jeopardising them by their inactivity. It is posespecially well qualified for the discharge done was but trifling and the emoluments

jail-yard at 8.30 s. m., when in obedience to the demands of justice, Michael Farrell, the slayer of Francis Conway, jr., in jail-yard at 8.30 a. m., when in obedience August last, yielded up his life for that which he wontonly destroyed. No possible efforts were spared to obtain the commutation of his sentence. Fully 1,000 people were present, surrounding the jail, and on the Plains of Abraham in close proximity thereto. Only about 100 were real? Yet this is the way important through freight is carried! It was supposed that Halifax or St. John would and on the Plains of Abraham in close is

fresh fish. The reason for such freight going by the Northern, instead of the St. John route is because there is no railway bridge over the St. John river, and bulk would have to be broken, involving some deterioration of the fish and extra expense for handling. When St. John secures a railway bridge, or when the Miramichi Yalley Road is built, so that through freight will not go "to the Hudson via house the St. John at Woodstock, Miranichi freight will not go "to the Hudson via has saled to the Earth of the Dominion Government in dealing with the office of Official Assignee in Northumberland is based on its knowledge of what is in store for the business community we are to have the sate of the business community we are to have the state of the sate of the sate of the business community we are to have the state of the sate of the business community we are to have the first of the hordered man, and on his truspers were discovered marks which were clearly proved as the Advocate and those "warm temperance friends and these "warm temperance friends and those of form in stere the should be ledge of what is in store for the was said by Father Wynn, all present un-

Rome despatch of Saturday last says:—
The Encyclical letter of the Pope appeals to the Governments to restore to the Church the degree of liberty which would enable her to efficaciously employ her influence in favor of society. The Italia says the Encyclical letter is the commencement of a crusade against commencement of a crusade against modern institutions.

The St. John Globe gives the following account of the execution of Thomas Dow.1 at St. Andrews on Tuesday morning last: The execution took place at 8.15 a.m., in the had, and struck him with it in self defence.

The Encyclical letter of the Pope appeals account of the execution of Thomas Dow.1 at St. Andrews on Tuesday morning last: The execution took place at 8.15 a.m., in the had, and struck him with it in self defence.

I thought, if I attempted to run from him he would, when my back was turned, him he would, when my back was turned, him he would, when my back was turned, him one blow on the head and knocked west, white shirt, and low shoes.

The St. John Globe gives the following account of the execution of Thomas Dow.1 at St. Andrews on Tuesday morning last: The execution took place at 8.15 a.m., in then I picked up McCarthy's axe, which he had, and struck him with it in self defence.

I thought, if I attempted to run from him he would, when my back was turned, however, that some philosophers, allows the use of the violin in his Church, to fiddle up the cause of religion and save him one blow on the head and knocked him one blow on the head a

To the Editor of the Miramichi Advance. SIR.—The Advocate of the first inst.,

lighthouse. What are really the facts of the case? Mr. George M'Connell kept the [We were not aware of the fact that in the fall of 1876. His place necessarily became vacant, and some other person had Newcastle, and we are inclined to the be- not aware that "the M'Connell's" were lief that, although Mr. Munro claims in- appointed. Then why leave the impression on the public that they held the post and were driven from it, and that by the The New York Journal of Commerce quote the words of any song rendered at means mentioned in the correspondence prints a table of the wholesale prices of a those meetings to which he can justly Surely "the M'Connells," who now urge their claim before the public do not mea to identify themselves with Geo. M'Con had rights or claims in the matter under consideration! He, however, in all likeli hood, lost his rights and gave up every the sons of the defunct lightkeeper. But have the sons an heriditary right to the post he held! If so, then, indeed, a great injustice "has been committed by the "Grit Government" by depriving them of that right and, especially, by going so far as to appoint in the position " a man from Pokemouche who hardly ever seen the sea, much less a lighthouse." But I have yet to learn that Government bases appointments on the ground of heriditary rights or acknowledges such rights, in the distri bution of offices or positions. "The M' establish a precedent in such matters, and compel the present Government to "man from Pokemouche" would not be in saw anything else but the sea and the
