QUEENS CO. QUARTERLY.

Despite the storm of Sunday, Feb. 19th, delegates were in attendance from points 30 miles distant, when the Quarterly opened on Monday in the Caledonian Baptist church. Because of the conditions of the roads the attendance from nearby churches was not large. The afternoon session was a praise and conference meeting. In the evening, Rev. W. B. Crowell preached from Heb. 3: 19. The after-meeting conducted by Rev. H. B. Sloat was a season of refreshing. The testimony of young converts, who have been brought to Christ in the special meetings carried on by the pastor, W. B. Bezanson, was very cheering.

Tuesday morning's session was devoted to business and addresses.

Caledonia reports one awaiting baptism, quite a number have professed conversion.

Kempt reports one received for baptism. North Brookville presents many encouraging features. Rejoices that her pastor has declined call to another field of labor.

Milton reports one received by letter, one awaiting baptism.

Liverpool reports eight baptisms, others expected.

Rev. W. B. Crowell spoke on "Evangelical or Evangelistic" and Rev. H. E. Maider read a paper on "Where can the church work to the best advantage?" The latter was far out of the ordinary. To the regret of the Quarterly the author would not read it to the larger gathering in the afternoon. This paper is too valuable to be lost to the Denomination and we trust the writer will follow the suggestion made in the Quarterly and send it to the MESSENGER AND VISITOR for publication.

The programme for the afternoon session was entirely disarranged, but reports from

the various W. M. A. Societies were read, and a paper on the "Conditions of Home Work" by Mrs. (Rev.) Wm. E. Hall was read. Also a letter from Rev. S. C. Freeman of Viziapagram, India. As Bro. Freeman is a native of North Queens, this letter was greatly appreciated by the auditors. Following this was a praise and prayer-meeting.

In the evening, Rev. H. B. Sloat preached. Rev. W. B. Bezanson had charge of the evangelistic service, and a very large number took part. The service closed by a very striking part taken by the recent converts. Thus closed a Quarterly, helpful and stimulating to all who attended, and one which beyond doubt would have been epoch-making if the inclemency of the weather had not kept so many ardent workers away, who had planned to be present, and who by their presence, doubtless, would have kindled a revival movement throughout the county.

Personals.

THE MESSENGER AND VISITOR extends heartiest congratulations to Mr. Roy Elliott Bates of the class of 1904 of Acadia, in his election by the faculty of the college to the Rhodes scholarship for Nova Scotia. Reference is made elsewhere to the standing and scholarship of Mr. Bates. We have no doubt but that he will have the confidence of his Alma Mater.

In the News from the Churches will be seen a brief note from the Rev. H. A. Brown of Chipman, Queens Co., N. B. The MESSENGER AND VISITOR is glad to number among its readers Pastor Brown who has recently come among us from across the border. We trust that he will find the Baptists of the Maritime Provinces true work-fellows, and that the hand of welcome may be extended to him from all sides. We desire to be one of these.

We learn that Rev. H. B. Smith, who has been pastor of the New Germany church for six and a half years has tendered his resignation, to take effect the last of May. Any of our too many pastorless churches may find the man they want by corresponding with Pastor Smith at New Germany, N. S. Brother Smith is one of our most efficient pastors and enjoys the confidence and esteem of his brethren, in a large measure.

Rev. H. D. Worden late of Vanceboro gave us a call on Monday. He is as strong as ever, and expects to settle in some of the destitute fields in this or the neighboring Provinces. The MESSENGER AND VISITOR is always pleased to greet Bro. Worden and hopes to see him happily settled over one of our churches in his native Province.

At a meeting of the Irish Nationalists in London on Tuesday it was decided to at once commence an active campaign and move amendments to the address in reply to the speech from the throne on the subjects of home rule, Catholic universities and the Irish land act.

The Caraquet Railway Co. gives notice that it will apply at the next legislature for an act authorizing directors to make a new issue of bonds for \$500,000 to provide for bonds lost or destroyed and for other purposes.
