dren were drowned.

The Engineer.

Ald. Jones recommended that the
McLeod building for ten years at a
rental of \$700 a year, the city to
undertake the repair work consid-
ered necessary on the building. The
engineer was instructed to prepare
plans to construct a platform on the
area between Water street and the
Pettingill wharf, suitable for storing
molasses puncheons, and to report on
the cost of making permanent repairs
to the Charlotte street extension.
Other matters were dealt with.
