New Driving Club
At Edmundston

Organization Has Capital
Stock of \$10,000 — Men
Working Getting Place in
Shape.

Edmundston, May 13.—A new driving club was organized here recently, which aims to encourage the breeding and racing of horses. This organization has a capital stock of \$10,000 and already a good part of the stock has been subscribed. Grounds for a race track have been purchased, and men are already at work upon it, getting the place into shape, and building the grandstand and the stables. It is hoped that a new circuit will be formed with Edmunds and Riviere du Loup. The President is Alderman Rios, a well-known horseman, and the Treasurer is J. W. Hall, President of the Board of Trade, who has a stable of fast horses. It is hoped that the track will be in shape, so that a meet can be arranged for the first of July. A visit was paid to the stables of Mr. Hall this week, and the horses there seen. Mr. Hall is the man who brought to this province that well-known horse, College Swift, with a record of 2:11 1/4 and Togo M., with a record of 2:14 1/4.

Amongst the horses Mr. Hall has in his stables are The Perfection, a horse never yet raced professionally, but of which he is expecting great things. The Perfection is a six year old mare and recently brought here from the West; she is by the Exponent.

Then there is the four year old mare Bingleella, by Bingle, a Montreal pacer which shipped quarters on the ice this winter in 2:13 seconds. Another horse imported from the West is Colonel Asworthy, aged seven, a gelding which started eight times and came in a winner seven. And the Steel Brown green trotting mare, Peters Pride, by Peter the Great, the most famous sire in the world, with a trial mile on a half mile track in 2:12 1/4. Another likely looking horse is King Margrave by Margrave, a roan, seven years old weighing 1200 lbs.

The Agricultural Societies of the County are considering bringing their exhibitions here in the fall, and there will be races in connection if this is done. It looks as if sport will receive an impetus here through this association, and that the benefit will be province-wide. The Hon. J. E. Michaud who is a vice-president, is taking a keen interest in the plans of the Club.

Free Swimming
Campaign In Y.M.C.A.

Campaign Will be Conducted
in Forty Y. M. C. A. Pools
First Two Weeks in June.

A swimming campaign, which is part of a national movement being conducted in the forty Y. M. C. A. swimming pools stretching right across the continent, will be conducted the first two weeks in June at the local Y. M. C. A. building.

This is a definite piece of community work and is for non-members. Last year, sixteen boys were taught to become swimmers of considerable ability and many others made great progress in the art.

The campaign will commence on Monday, June 5th, and close on Friday, the 23rd.

Tickets for free instruction are being printed, and can be had at the Y. M. C. A. building.

Harvard Won In
The Annual Meet

Cambridge, Mass., May 13.—Harvard defeated Yale in their annual track and field meet in the stadium yesterday.

The point score was Harvard 70 to 15; Yale 64 to 15. Billy Burke, Harvard's star runner, won the mile run handily and then came back to win the 880 yard dash.

Baseball Results
In Big Leagues

New York, May 14.—Unexpected strength shown by second division clubs, notably Detroit in the American and Cincinnati and Philadelphia in the National, proved an outstanding feature of the first week of international clashes and noticeably tightened the major league pennant races.

The New York clubs met stronger opposition from their western rivals as had been expected, but retained their places at the top. St. Louis, Pittsburgh and Chicago were closely bunched in that order behind the world's champions, while the Yankees and St. Louis continued to make it a two club affair in the American, the slim margin of a half game separating the rivals as a result of Detroit's second straight victory today over Huggins crew.

New Organization
Formed Saturday

Maritime Provinces Amateur
Skating Association—Frank
White of St. John Elected
President.

The Maritime Provinces Amateur Skating Association was organized Saturday afternoon as a result of a conference with Louis Rubenstein, general secretary of the Amateur Skating Association of Canada.

Frank White, who has been the Maritime representative of the Canadian Association, presided at the meeting, which was attended by Messrs. H. J. Colahan and T. K. Sweet of the Y. M. C. A.; Wm. Bowrie and George Smith of the Y. M. C. A.; H. McCavour and Elmer R. Ingraham, St. John Rowing Club; P. J. Legge, St. George's A. C.; A. E. McNutt, Moncton; A. W. Covey, Commercial Club; A. A. Mr. Rubenstein and H. E. Richard who was formerly identified with the sport in Ontario, and is now associated with the Dunlop Rubber Co. in this city.

Mr. Rubenstein explained to the meeting the aims and objects of the Amateur Skating Association of Canada, and advised the company present that if they intended forming a Maritime Association they should frame laws to govern such a body and then adhere strictly to them. Above all he advised them to deal severely with any one infringing amateur rules.

Mr. Covey read letters from the Halifax Wanderers, and the Dartmouth A. A., both of whom promised their wholehearted support to whatever organization might be formed.

After some discussion, it was decided to name the new body, the Maritime Provinces Amateur Skating Association. An election of officers then took place and resulted as follows:

J. A. Gregory, St. John, honorary president.
Frank White, St. John, president.
A. E. McNutt, Moncton, vice-president for New Brunswick.
W. C. Bishop, Dartmouth, vice-president for Nova Scotia.

L. B. McMillan, Charlottetown, vice-president for Prince Edward Island.
P. J. Legge, St. John, secretary-treasurer.

It was decided that the executive should consist of one member from each club interested in skating, the member to be selected by the club and his name submitted to their representative. It was also decided to make application for affiliation with the Amateur Skating Association of Canada, and for affiliation with the International Amateur Skating Association.

Application will also likely be made for the International Skating Championships to be held in St. John next winter.

Kentucky Derby
Won By Morvich

The Unconquered as a Two
Year Old Is the Winner of
\$50,000 Prize.

Louisville, Ky., May 14.—Morvich, unconquered as a two year old is the winner of the \$50,000 Kentucky derby.

The brown son of Rummymede-Hymn, running true to form, won the event at a mile and a quarter, in a field of ten starters yesterday before 70,000 spectators.

Morvich, running his first race as a three-year-old, triumphed over the best field that the nation had to send against him and won for owner Benjamin Block, the New York sportsman, \$46,075 and \$7,000 worth of gold plate. Behind Morvich was Bet Moise, E. R. Bradley's entry trailing Victor by two lengths. John Finn was third in the van, just a neck behind Bet Moise. Six thousand dollars went to second place, while John Finn and Deadlock, the third and fourth horses, drew down \$3,000 and \$1,000 respectively.

The time 2:04 3/5 made by Morvich was but one and two-fifths seconds more than the derby record set by Old Rosebud in 1914.

Morvich paid the surprisingly good odds of \$4.40 to win in the mutuels, \$4.30 to place and \$3.50 to show for a \$2 ticket. The mutuel prices on Bet Moise were \$2.50 and \$2.70, and \$6.60 on John Finn.

Speeding into the lead soon after the start Morvich made every post a winning post and he apparently never was in danger. He accepted every challenge from the field trying to defeat him. The colt was admirably ridden by Albert Johnson and carried 125 pounds.

My Play, a full brother to Man o' War, staggered into fifth place with Letterman pulling up in sixth position. Surf Rider was seventh, and far back was Startle, the great juvenile filly of 1921, with By Gosh eighth. Busy American, another Bradley entry did not finish.

Inured leg of the Bradley star failed to withstand the strain. The colt broke down rounding the first turn and was pulled up as the flying field sped on.

gave some valuable information regarding the enforcement of the skating rules and a vote of thanks was intended to Mr. Rubenstein for the interest he had shown by coming from Montreal to assist in the formation of the new skating association.

Canadian Hurdler
Made World's Record

Earl Thomson Clipped One-
Fifth of Second Off Record
in Seventy-Five Yards.

New York, May 14.—Earl Thomson, Canada's star hurdler, yesterday clipped one fifth of a second from the world's record in the 75 yard high hurdles when he defeated Harold E. Barron, of Penn State in a special invitation race at the Dartmouth-Columbus track meet.

The old record was 9.36 seconds, made at an indoor meet. Thomson's time was 9.24 seconds. Thomson was representing Dartmouth College.

Luis Firpo Knocked
Out Jack Herman

Left Uppercut in Fifth Round
Put Italian to Sleep in New
York.

New York, N. Y., May 13.—Luis Firpo, South American heavyweight, knocked out Italian Jack Herman, of Newark, N. J., with a left uppercut in the fifth round of their fight at Ebbett's Field today.

Firpo seemed bewildered for a moment the blow was so sudden. It was not until the referee announced he was the victor that he smiled.

Then he went to Herman's corner, but Herman was still unconscious and could not speak to him.

The fight, which was Firpo's all the way, was witnessed by a crowd of about 10,000, made up largely of residents of New York's Spanish colony. Herman was floored four times before the knockout—twice in the first and twice in the second round. He was up quickly both times in the first round, but in the second took a count of eight each time.

The implication lying under Solo's words is that our hearts should be under the highest compulsion to end that we may be at our best thought and action. The highest compulsion there is, is Love, the love of God. When a man submits heart to this control, he knows was for this he was born and his comes into its kingdom.
