dress. It says:

It is easier to state the difficulty than to suggest a remedy, but something must be done very soon if the public are to be duly protected. We insisted, many years ago, at the outset of the controversy, that those who introduced these limitations would continue their eneroachments and swept them all aside by some positive prohibition. We then suggested a remedy in the adoption of the legal principle that the limitations were void from considerations of public policy. This was the view of some of the most was the view of some of the most eminent legal minds both is this countril to the control of the legal principle that the limitations were void from considerations of public policy. This man the view of some of the most eminent legal minds both is this countril to the total didition of a few sterling, temperate men to our police force, to act also as fire nen when required, our city would be in positive security. The present organizations, as they at present exist, could be entirely dispensed with, and engine houses would no longer continue to be the resort of lawless men, or turned into drinking houses at times of elections; the expenses would probably be lighter than at present, there would be no more incapable and drunken firement legal minds both is this countril to the control of the legal principle that the limitations were void from considerations of public policy. clerical ideas of education. There is no safety for the common school system but in a strict adherence to pure secularism. There is no half-way house between this and a system of creed-cramming and priest-patrolled separate schools—an expensive system to operate in a mixed population like New Brunswick's.

Liability of Common Carriers and Underwriters.

Said on retiring for the night were, "I feel uncommonly tired." The cause of death is supposed to have been heart distance of have been heart dissease. Another death attributed to the same cause occurred in Oldtown on Saturday, Mr. William Mills having been found lifeless in his shop. He was a native of Frederictou, and leaves a wife and family of five children. It is matter on the tapis. The following Provincial appointments have been made: Geo.ge F. Steadman to be Judge of Probates for Albert County, in place of C. W. Cole, deceased.

Silas Alward and John Sears for their deeds are performed in individual cases the public should know it. There is altogether too much of a feeling of fear pervading the whole community, there is a want of straight outspoken conduct in our Councilmen and officials generally, and was there more of the independent, self-reliant spirit exhibited we should soon discover who are the men and who the mice. Our Mayor should be looked to as a young and dauntless man to put this matter on the tapis, and with the assistance of his Councillors to thoroughly remove existing evils in the above departments of the public service.
