CHEAP TOILET SOAP

Is not only poor economy, but its use is fraught with positive danger to complexion and health. Don't make your selection from assorted lots in trays at the bargain counter. Poor price, poor soap—the dregs of the dealer's stock.

BABY'S OWN

Is never found in this class. It may not even be exposed to view in the showcase; there's not much profit in it for the dealer, but he has it in stock for people who want the best. Ask for it and get it. The name guarantees the quality. There's profit in it for **you**—the consumer.

AYER'S ARGUMENT.

If there is any reason why you should use any sarsaparilla, there is every reason why you should use Ayer's. When you take sarsaparilla you take it to cure disease; you want to be cured as quickly as possible and as cheaply as possible. That is why you should use Ayer's: it cures quickly and cheaply—and it cures to stay. Many people write us: "I would sooner have one bottle of Ayer's Sarsaparilla than three of any other kind." A druggist writes that "one bottle of Ayer's will give more benefit than six of any other kind." If one bottle of Ayer's will do the work of three it must have the strength of three at the cost of one. There's the point in a nutshell. It pays every way to use
