### Beautiful Hand-Embroidered Waist Front No. 14

Hand-Embroidered Waists are the delight of all dressy women. The short-sleeved one illustrated above is sure of a warm welcome during the summer months; perhaps it would be more appropriate to say a "cool welcome," as for coolness and comfort this waist cannot be excelled.

The charming design is hand-embroidered in the finest manner on 2 yards of fine white Lawn (40 inches wide), enough to make any style of waist, including the popular Peasant or Kimona style.

When this waist is finished with Valenciennes Insertion, it could not be bought in the stores for less than 4 or 5 dollars. We do not give the insertion.

Our supply of these waists is limited, so send us \$3.00 for three subscriptions to the Western Home Monthly, at once and we will send you one of these waists, prepaid, absolutely free.

### Corset Cover No. 17

In these days of scant petticoat, the corset cover is more generally used than the fuller garments. The corset cover illustrated above buttons on the shoulders and is very convenient, because with a low-neck frock, the shoulder strap may be separated and turned under. This style of corset cover is much prettier with blouses than the style opening in front. There is so much better opportunity for embroidery on these, and embroidery is the most attractive decoration one can put upon the corset covers, and is very durable.

We will send this dainty corset cover design stamped on a very good quality of nainsook, free, prepaid, for only one subscription for The Western Home Monthly, at \$1.00.

### Linen Set No. 18

The most beautiful of all trays and doilies are those which display a great deal of Eyelet Work: there is nothing more attractive on the dining room table than white linens embroidered in open work through which the polished wood may show.
