

AULTSVILLE.—This Auxiliary holds its meetings at the parsonage, and has held two interesting meetings since the New Year. The January meeting was well attended, and the consecration service entered into with earnestness and seriousness. A present of one dollar was sent, but it was not accepted as such; instead, the donor was enrolled as a member. Three members promised to take charge of the Watch-Tower, and, as it was thought wise to separate the French and Indian work, a fourth member, who was not present, was to be requested to take one of those fields. The parting with our esteemed Corresponding Secretary, Mrs. Bigelow, was sad. She chose as her successor a lady who was not a member; thus we have two new members. A letter of introduction to the Cornwall Auxiliary was read and presented to Mrs. Bigelow, as she was soon to remove to that town. Then a farewell address was read, to which she replied in touching and fitting terms. After a few more remarks, refreshments were served. Then the band of faithful and earnest workers said good-bye to one whose place they know will be hard to fill. The February meeting was a pleasant and encouraging one, the new Corresponding Secretary assuming her duties. The Mission Band and Circle are doing efficient work and have held several public meetings during the last month.

A MEMBER.

NORTH GOWER.—As an auxiliary we are thankful to our heavenly Father for the mercies and blessings which we receive at His hand. Our meetings have been interesting and spiritual and fairly well attended. At present we have twenty-four members. In reviewing the year just past we do so with feelings of thankfulness, for the Lord hath given to us His blessing, which maketh rich and addeth no sorrow. Our membership is unbroken by death. May the Lord continue to us His blessing and teach us to remember that "the liberal soul shall be made fat, and he that watereth shall be watered also himself."

MRS. T. MAINS, *Cor. Sec.*

PORT HOPE.—We are thankful to be able to report steady progress ever since the year of organization. The annual meeting was attended by enthusiastic members. In reviewing the result of our efforts during the past year, we were cheered and stimulated to renewed diligence for the future. The important event of October was the Bay of Quinte Branch Meeting held in our midst, the associations and deliberations of which proved an inspiration to many of us not soon to be forgotten. Next in order was our Annual Crusade. These meetings we find helpful in many ways. The ladies who cannot attend often, make a point of coming to the Crusade meeting and paying their fees; thus facilitating the collection of fees early in the year. The able sermon preached by our own pastor, Rev. W. J. Crothers, M.A., together with the many personal invitations given by the President and others, resulted in the attendance of about a hundred ladies at the February meeting, which was made as interesting as possible. The devotional and business exercises were followed by a short programme of singing and reading of a strictly missionary tone. A little time was then spent in social conversation over a cup of tea. Six new names were added to the roll and \$30 (collection and fees) to the funds.

MOULINETTE.—Although we have been organized nearly two years we have never reported to the OUTLOOK. We take the opportunity now to let our sisters know what we are accomplishing. We organized with eleven members, but closed the year 1894 with twenty-four members. During last year we held a public meeting in the Methodist church, at which Mrs. Bigelow, first Vice-President of the Eastern Branch, gave us a very interesting address; also Miss Tennant, of Cornwall, favored us with a very excellent recitation. There was also suitable music. Altogether, the meeting was a successful one every way. Six new members were added; also a collection of \$6.68. We were indeed encouraged. The total amount raised during last year was, \$55.42; through mite-boxes alone, \$24.58. We sent to Branch Treasurer, \$45.42. In the fall we sent a bale of quilts and other goods to Kit-a-maat; intend sending one this year. God has indeed blessed us and we are more zealous than ever to help on the Master's cause in

this way. Our united prayer is that God will bless the Woman's Missionary Society abundantly throughout the land.

TORONTO (Parliament Street).—An interesting and profitable Quarterly Prayer-meeting was held by the Parliament Street Auxiliary, on Wednesday evening, February 27th. Mrs. Dr. Willmott gave an excellent address, telling of the various branches of mission work carried on by the Society, and urging those assembled to greater interest and activity. Our Toronto Branch President has, undoubtedly, found her proper sphere. Her familiarity with the needs of the work has begotten an enthusiasm that touches her hearers, and cannot fail by God's blessing to awaken some measure of the responsibility that so many Christians fail to recognize in this important work. We are glad to find in our Auxiliary a steadily growing interest of the true character, and trust that many here and elsewhere may find by extending sympathy beyond the limit of one's own sphere, that reflex blessing that is the inevitable result.

NEWMARKET.—On January 24th we had the pleasure of listening to an address by Mrs. Willmott, President of Toronto Branch, on the work being done by the missionaries of the W.M.S. Among those present were the ladies of the Presbyterian W.F.M.S., some from Aurora Auxiliary and from our own congregation. At the close, all were invited to repair to the lecture-room, where tea was served, and a very social and enjoyable time was then spent. We are losing a very efficient worker in the person of Mrs. Lewis, our President, who is removing to Toronto. The members of the different organizations with which she is connected, met in the home of Mrs. Lundy, a representative from each presenting Mrs. Lewis with an address expressive of their appreciation of the valuable services she had rendered them and regret at her departure, closing with a tangible proof of their regard.

POINT ST. CHARLES (Centenary Church).—Our Auxiliary has been steadily working during the past year. The monthly meetings have been well attended by the regular members, but we have not gained very rapidly in the matter of increasing our membership. The following-out of the programme suggested in the *Leaflets* has proved profitable and interesting. This last monthly meeting was especially interesting, as we had the pleasure of a visit from Mrs. W. E. Ross, who not only gave us an address on different missionary topics, but also helped us each with her kind words, and encouraged us spiritually, so that we will be more zealous in our work. At the same meeting a solo was given by Mrs. Saunderson, accompanied by Miss Alice Allen; a reading by Mrs. S. C. Matthews, and a solo by Mrs. Read, accompanied by Mrs. Jennings; a few remarks from our President, Mrs. J. Allen; a five o'clock tea served by Mrs. Henry Hadley, this closing the meeting.

MRS. S. C. MATTHEWS, *Cor. Sec.*

SPARTA.—An auxiliary of the W.M.S. was organized at Sparta, December 13th, by Mrs. (Rev.) R. J. Treleaven, District Organizer, with a membership of seventeen. President, Mrs. (Rev.) T. R. McNair; Vice-President, Mrs. Wm. Kerby; Recording Secretary, Mrs. A. Gillett, Corresponding Secretary, Miss Whiting; Treasurer, Mrs. A. B. Smith.

TORONTO (Broadway Tabernacle).—The half-yearly meeting of the Broadway Tabernacle Auxiliary was held on Monday afternoon, March 11. The Auxiliaries of Bathurst Street and Avenue Road churches were invited. An interesting paper on "China" was read by Mrs. Graham. Mrs. Willmott, President of the Central Branch, gave an excellent talk on "Mission Work," giving many suggestions for improving and enlarging auxiliaries. Mrs. Eagin sang two appropriate selections with great sweetness and pathos. An interesting part of the programme was the making of the esteemed President of the Broadway Auxiliary a life-member. Mrs. Byrne replied in a few, feeling, grateful words. A collection was taken up in aid of the Chen-Tu Hospital in China. The receipts for the half-year are \$122.10. The meeting adjourned, when all were cordially invited to a social tea.
