

How To Recognize A Great Draught When You See One.

There's a new sign
of quality at your favourite establishment.
It says Alexander Keith's Draught is on tap.
Now it's easy to see where those who
like it, like it a lot.

I.M. Involved

Intramural policies

PARTICIPANTS IN THE DALHousie Intramural program should be aware that the intramural staff will be enforcing the following policies and procedures henceforth:

ABUSE OF OFFICIALS

As program coordinators, the intramural staff have done everything possible to try to secure officials for the games. However, they repeatedly lose willing officials who do not wish to be subjected to the type of abuse that some participants subject them to.

Policy:

1. If officials do not show for a game, the two team captains must agree with the convenor to (a) let the game be recorded as a tie in the league standings or (b) play the game under gentleman's rules and the have winning team captain report the game results, which will stand as a non-contestable game outcome.

2. When officials are calling the game, they will hear only official complaints and requests from the designated team captains. If approached in a mature and gentlemanly manner, they are obligated to hear the complaint and concern and give an explanation of the rule interpretation. Judgement decisions are

not questionable — but may be brought to the attention of the official.

3. Any ungentlemanly comments, foul language or unsportsmanlike conduct directed toward the official will be served with the traditional game penalty for the player(s) — but will also justify a *team warning* from the official. A second offense from the same team will result in an automatic forfeit of the game and a default win awarded to the opponents.

INELIGIBLE PLAYERS

The Intramural Department is receiving several notices of teams playing ineligible players. Any team suspected of playing ineligible players should be reported to the Intramural Supervisors. Please provide substantiated facts.

Policy:

1. Team captains are responsible for checking player eligibility and enforcing the regulation.

2. Any team determined to have played ineligible players will be penalized for the game and suspended from participation in the play-offs.

3. To be eligible for play-offs participation, all players must have played at least 50% of the scheduled league games.

UNIVERSITY OF WARWICK

- ★ IN THE HEART OF ENGLAND
- ★ 5500 FULL TIME STUDENTS
- ★ STRATFORD 15 MILES, LONDON 70 MINUTES BY REGULAR TRAIN

SUMMER SCHOOL

2nd July – 1st August, 1986

British studies courses for credit or audit taught by resident faculty of an outstanding British university. 36% of our students in 1985 were Canadians. Mature students welcome. Courses in –

archaeology art history english
political science history theatre studies

GRADUATE STUDIES IN CANADA'S CAPITAL

Carleton University and the University of Ottawa, located in the capital of Canada, offer an impressive combination for graduate study in science and engineering. Our graduate programs and research resources have been combined into joint programs, making us one of the largest teaching and research institutions in Canada. Students have the opportunity to study in both official languages. Programs of study are offered in the following areas:

- Chemistry
- Mathematics and Statistics
- Geoscience Studies
- Biology
- Physics
- Computer Science
- Civil Engineering
- Mechanical and Aeronautical Engineering
- Electrical Engineering

In addition to the excellent libraries and laboratories of the two universities, students have access to governmental agencies and specialized laboratory and research facilities of the nation's capital. And both universities provide generous financial support for graduate students through scholarships, fellowships, and teaching assistantships. These programs are offered in both English and French.

For further information on our joint programs, write:
