Alpa
5th April 9

I have the honour to inform you
that I have allowed Jamina Moses
pupil No 142 of the Pine Hills Boarding
School to return to her home for a short
holiday on account of impaired health.

Her parents have a comfortable
and clean home and it was thought by
the school authorities and myself that
a little family life and liberty might
be the means of restoring her to her
formerly good state of health.

Trusting you will approve of
my action.

I have the honour to be
Sir

Yours obedient servant
