Mr. Lawrence Hunt,
60 Broadway,
New York, N. Y.

Dear Mr. Hunt:

I am very grateful to Mrs. Hunt and yourself for presenting me with the book "A Texan in England." It comes next in order to what I am at now and it is hoped will be completed within a week or so. I am sure I shall enjoy it.

Among a list of weeklies to which I subscribe because of their worthwhile editorials is the Orillia Packet and Times. Reading it yesterday (after a return from nearly two weeks' visit in the West) I found an editorial highly commending your speech in Toronto. I am sending the whole editorial page herewith as you may find interesting one or two other articles. In a subsequent issue of the Packet they published your entire speech-- I have never known them to give so generously of their space to a speech before.

I am also very grateful to you indeed for sending me the large number of copies of your speech. I shall set about at once to see to their distribution.

We are in the midst of an election campaign here. I am confident of the Ontario result. Will make no predictions as to the other until I see how my first pledge of confidence proves out in the voting.

You doubtless saw the tribute to Churchill in the New York Herald-Tribune of May 11th, by Mark Sullivan. It is really good, though two or three minor corrections would improve it.
