Indian Commissioner for B.C.
Box 70,

With reference to the enclosed Resolution and application for the purchase of the timber on the Ahousat Indian Reserve No. 12 (Coolth-pish). A Band meeting was held with this Band on November 28th when the sale of the timber on the above Reserve was discussed. It was agreed by all members present that this should be offered for sale on the understanding that the Funds would all go to the Band Fund as is usual with Timber sales.

Regarding the application for the right-of-way for a Cat road the Band have advised that they wish to take this up at a later date as there is a possibility that a Tender from another applicant might be accepted who would not require the Right-of-way.
