Room 28

77 Victoria St.

WEARING A SWITCH

Can either be a success or a failure. It is all in the switch, and the switch is all in the make. We can safely lay claim to producing the most artistic and best match switches in Canada.

QUALITY

of hair is the very first essential in a switch, and the rare and beautiful hair that goes into our straight and natural wavy switches together with the skill and style used and produced are some reasons why particular women come here.

THE NEW PEPPER STORE
NEXT YONGE STREET ARCADE

OLIVE FARM DAIRY

Pure Milk and Cream
Guaranteed

No Coloring, no Cream Thickener
or Preservelene used.
