

There are 3 tenement houses.  
 22 common lodging houses.  
 8 houses unfit for habitation.  
 12 overcrowded rooms.  
 3 dark rooms.  
 6 rear houses.

In districts 4, 5, 6, 7 and 8 conditions closely resemble the above. In district 8 we found conditions almost imperative to deal with at once unless slums are to be perpetuated. Rear houses and other evils are already in possession.
