

152 THE SEIGNEURS OF OLD CANADA

*Transactions of the Royal Society of Canada*, 1898, pp. 139-216. There is a short, but very interesting chapter on 'Canadian Feudalism' in Francis Parkman's *Old Régime in Canada* (Boston, 1893), and various phases of life in New France are admirably pictured in every one of the same author's other volumes.
