NOTE: British Bank figures include appropriations for the three funds: "Officers' Life Insurance," "Officers' Widows and Orphans" and "Pension Fund." The figures shown for 1914 represent the total appropriated in 18 months ending November, 1914. The 1916 report not published at date of writing.
In case of the appropriations shown by the Imperial from 1910 to 1916 inclusive, \$7,500 per year was stated as for "Pension and Guarantee Fund." Appropriations by the Nova Scotia, British, Merchants, Commerce, and Royal for Pension Fund purposes were begun prior to 1901. The Bank of Montreal has a Pension Fund which has been long in existence, but the recent annual reports do not reveal the amounts of any appropriations made for the purpose. Weyburn Security Bank report 1916 not published at date of writing.
