

FATHER AND SON CURED

THE VILLAGE OF WHITECHURCH DEVELOPS A SENSATION.

The Father Attacked With Rheumatism and the Son With St. Vitus Dance - A Story That Can be Vouched For by All the Neighbors.

From the Wingham Advance.

Mr. Joseph Nixon is the proprietor of the only hotel in the village of Whitechurch, and is known to the whole countryside as a man who thoroughly understands his business, and a jovial companion as well. It is well known in this part of Ontario that Mr. Nixon's hotel was destroyed by fire, but with that energy which is characteristic of him he quickly set to work to re-build. His story, as told a reporter of the Wingham Advance, who recently had occasion to visit his hostelry, will prove of interest. "I was helping to dig out the cellar," he said, "and in the dampness and cold I contracted rheumatism which settled in my right hip. It got so bad that I couldn't sit in a chair without doubling my leg back at the side of the chair, and I couldn't ride in a buggy without letting the affected leg hang out. I suffered a great deal more from the trouble than anyone who has not been similarly affected can imagine. How I was

cured is even more interesting. One day I saw a neighbor whom I knew had rheumatism very bad, running down the road. I called him and asked what had cured his rheumatism. Dr. Williams' Pink Pills he promptly replied, and that determined me to try the same remedy. Well, the result is Pink Pills cured me, and that is something other medicines failed to do. I don't know what is in them, but I do know that Pink Pills is a wonderful medicine. And it is not only in my own case," continued Mr. Nixon, "that I have reason to be grateful for what the medicine has done. My son, Fred, about twelve years of age, was taken with an attack of cold. Inflammation of the lungs set in and as he was recovering from this, other complications followed which developed into St. Vitus dance, which got so bad that he could not possibly stand still. We gave him Dr. Williams' Pink Pills, with the result that he is now thoroughly cured, and looks as though he had never had a day's sickness in his life, and if these facts, which are known to all the neighbors, will be of benefit to anyone else, you are at liberty to publish them."

Dr. Williams' Pink Pills are a specific for all diseases arising from an impoverished condition of the blood or a shattered condition of the nervous forces, such as St. Vitus dance, locomotor ataxia, rheumatism, paralysis, sciatica, the after effects of a grippé, loss of appetite, headache,

dizziness, chronic erysipelas, scrofula, etc. They are also a specific for the troubles peculiar to the female system, correcting irregularities, suppressions and all forms of female weakness, building anew the blood, and restoring the glow of health to pale and sallow cheeks. In the case of men they effect a radical cure in all cases arising from mental worry, overwork, or excess of any nature. Dr. Williams' Pink Pills are sold only in boxes bearing the firm's trade mark and wrapper (printed in red ink), and may be had of all druggists or direct by mail from Dr. Williams' Medicine Company, Brockville, Ont., or Schenectady, N.Y., at 50 cents a box, or six boxes for \$2.50.

A GREAT MEDICINE.

Cod-liver Oil is useful beyond any praise it has ever won, and yet few are willing or can take it in its natural state. Scott's Emulsion of Cod-liver Oil is not offensive; it is almost palatable.

Children like it. It is Cod-liver Oil made more effectual, and combined with the Hypophosphites its strengthening and flesh-forming powers are largely increased.

Don't be persuaded to accept a substitute! Scott & Bown, Belleville. 50c. and \$1.
