It is of particular interest to threshers, as it gives net prices on all kinds of thresher and engine supplies, but it also shows a lot of articles of interest to all farmers. Our prices are way below those of any other firm in Canada. For instance: we sell a complete tank pump outfit, containing a standard tank pump, 20 feet best 2 inch wire-lined suction hose, 10 feet of 1-inch discharge hose, hose bands, hose clamp and nozzle, all for only \$14.75. We sell a complete set of rasps for Monitor Jr. clover huller for only \$15; a steel wagon tank, \$14; thresher teeth, 5c. each, all machines at 3-inch 1-ton chime whistle, \$6; etc. Our prices on drive belts, handy wagons, wrought iron wheels, feed hooks, injectors, lubricators, sewing machines, watches, rubber goods, mackintoshes, books, etc., are correspondingly low. Send for our catalogue and judge for yourself. We will also thank you to tell your thrasher about us, or send us his name and we will send you and him a catalogue apiece.
