## DAN PATCH RESTORED TO HEALTH IN SIX WEEKS.

### DAN PATCH GIVEN UP TO DIE

Office of the Kansas City Veterinary College, 1330 36 East 5th Street. ROBERT C. MOORE, D.V.S., PRES. HENRY C. BARVECK, M.D., D.V.S., V-PRES. BENJAMIN F. KNAPP, D.V.S., V-PRES. SISCO STEWART, M.D., V.M. M. W. SAVAGE, Minneapolis, Min. Secy and Treas. and Dean of Faculty.

Dear Sir:—I first saw your horse Dan Patch, about 10:00 a.m. Sept. 13th 1904. He was suffering severe pain in the abdominal regions caused by impaction of the bowels probably caused by eating oat chaff. His pulse rate was 72 per minute and his temperature 103. The character of the pulse was weak. The condition gradually grew worse during the afternoon until about 4 p.m. the pulse rate had reached more than 100 and his temperature was 106. The heart grew so feeble that the pulse could not be taken at the jaw and the rate could not be determined by listening to the heart beats. A cold perspiration covered the entire body much of the time and the pain was almost continuous. The visible mucous membranes were highly injected, which with the high temperature showed undoubted evidence of the inflammatory condition existing in the abdominal cavity. At this time owing to the inflammatory condition and the extreme weak heart, the prognosis was very unfavorable. From 4 to 6 p.m. I had little or no hope of his recovery. About 7 p.m. a slight improvement was noticeable and his condition gradually improved. Veterinarians in attendance. Very truly yours, R. C. MOORE, D.V.S.

### HIS WONDERFUL RECOVERY

In four days from the time he was given up to die by three high-class Veterinary Surgeons we shipped Dan Patch from Topeka to our "International Stock Food Farm" at Savage, Minn., and commenced feeding him three times the usual quantity of "International Stock Food" and giving it to him four times per day. He received his strength very rapidly and in three weeks from the first day of his sickness he paced a mile at Springfield Ill., in 2:04. This was in the face of a cold wind and over a track that was not in shape for extreme fast miles. Dan was shipped from Springfield to Minneapolis in six weeks from the date of his sickness he astonished the world by pacing a mile in 1:56 without wind shield. "International Stock Food" is a remarkable vegetable preparation to give permanent strength to the entire system as well as being a great aid to digestion and assimilation. It is used and endorsed by a majority of the great trainers and is in constant use on most horse-breeding farms. Dan Patch has been fed "International Stock Food" every day since we bought him two years ago for \$60,000. Since that time Dan has broken 7 world's records and has been extra strong and vigorous. Owing to his great constitutional strength he was able to withstand his severe sickness. You could not ask better proof of the superior merits of "International Stock Food" which you can feed at a cost of

**3 FEEDS FOR ONE CENT.**

INTERNATIONAL STOCK FOOD CO., TORONTO HIGH RIVER SCHOOL OF AGRICULTURE, High River, Alta.

Dear Sir:—I thank you for your letter of the 16th, and for all the trouble you have taken to bring the "International Stock Food" to notice. The merits of the food for horses in a poor condition were not unknown to me before you communicated to me, but I had not given it close attention as a possible medicine for other animals in trouble. A recent trial of the food with a pen of pigs suffering from what I diagnosed as "Krispelens Fleure Entortille" certainly proved most successful. After losing two pigs within three days out of a pen of seven I commenced feeding your Stock Food liberally to the remainder, all of which had refused to eat the ordinary food and were sick. On the fourth day a third pig died, but the remaining four rapidly recovered and are now well. I took the precaution to feed "International Stock Food" to all the pigs on the farm and in adjoining pens during this outbreak, and quite believe have saved myself from serious loss by using your remedy. I am, dear sir, Yours faithfully, (Signed) O. H. HANSON, Director.

### YOUR MONEY BACK IF THEY FAIL TO CURE

If "International" Preparations were not up to the standard we could not afford to make such an offer. We hereby agree to forfeit \$1000.00 if we ever fail to do as we say.

"International Stock Food" "International Heave Cure" "International Hoof Ointment" "International Silver Pine Healing Oil"  
"International Poultry Food" "International Colic Cure" "International Pheno-Chloro" "International Quick Cleaner"  
"International Louse Killer" "International Harness Soap" "International Compound Absorbent" "International Distemper Cure"  
"International Worm Powder" "International Foot Remedy" "International Gall Cure"

Mr. W. D. Platt, Hamilton, Ont., writes the "Farmer's Advocate" as follows: "I have been advised by Messrs. Montgomery, of Kirkcudbright, Scotland, that they have my Clydesdale fillies about all selected, and will ship from Glasgow on first or second ship leaving for Montreal. These gentlemen are acknowledged to be superior judges by Clydesdale men on both sides of the water, and they inform me that they have followed my instructions, and that my order will be filled with strictly high class fillies as called for. These fillies will be sold by auction here at Hamilton in May, without reserve. Further particulars will be given later."
