LEADS THE WORLD.

For nearly sixty years Estey Organs have set the standard of quality which other makers have endeavoured to emulate. To-day with a yearly output double that of any other manufacturer and with equipment and facilities unequalled elsewhere, they are still

"In a Class by themselves."

## CHURCH ORGANS

The Estey Company are specialists in the production of church and chapel organs that are equalled in resonance and tonal beauty only by the finest pipe-organs. In our Toronto, Hamilton and Winnipeg warehouses, as well as with our agents as far west as the Rocky Mountains, we carry a splendid stock comprising twenty-two different styles. The volume of our business, therefore, enables us to make special announcement of an offering of these celebrated instruments at prices little, if any, higher than ordinary organs.

Beginning with the school organ for use in small mission churches or schools at \$52, we have

- 9 styles less in price than \$150
- 5 other styles less than \$300
- 8 other styles over \$300

First cost is all it costs if you buy an Estey, No matter what the cost, the organ is the best.
