How to Sell at a Profit

This is a question which faces every person engaged in production, whether he be manufacturer or farmer. No business can be successful which does not sell its goods or its services for a reasonable profit over and above running expenses, interest on investment, allowance for depreciation, etc.

Many farmers and poultry raisers find it difficult to dispose of their pure-bred stock in their own neighborhood at prices which will repay them for the extra care and money invested. They feel the need of a wider market. It was to meet this need that the Farmers' Market Place was established by The Grain Growers' Guide. Hundreds of Guide readers have found ready sale at good prices for their livestock, poultry, seed grain, etc., thru our "Farmers' Market Place" and at a small expenditure.

Poultry raisers who have breeding stock for sale will be interested to read what The Guide has done for others:

"My ad. for cockerels, geese and ducks has proven a great success, having sold \$150 worth for \$10 expenditure."—O. R. BATEMAN, Wolseley, Sask.

"Kindly withdraw advertisement re turkey toms. Am inundated with applications. Sold out a week or ten days ago."—MRS. JOHN HOLMES, Asquith, Sask.

"I sold 35 cockerels and had orders for 15 or 20 more, which I didn't have. I got quite a few orders for settings of eggs also. I made about \$60 or \$65 on poultry, so think that was good for a farmer's wife."—MRS. A. DIGNAN, Marquis, Sask.

Sell Your Stock Thru the "FARMERS' MARKET PLACE" in The Guide

Advertising rates are given at the top of this page. Send in your order now accompanied by the amount for the number of times you wish your ad. to run, and let The Guide demonstrate to you, as it has to hundreds of other farmers, how it can sell.
