BRITANNIA LIFE ASSURANCE COMPANY

Capital and Invested Funds.....£750,000 Sterling.

ANNUAL INCOME, £220,000 STG.:

Yearly increasing at the rate of £25,000 Sterling.

THE important and peculiar feature originally in-
troduced by this Company, in applying the peri-
odical Bonuses, so as to make Policies payable during
life, without any higher rate of premiums being
charged, has caused the success of the BRITON
MEDICAL AND GENERAL to be almost unparalleled
in the history of Life Assurance. Life Policies on
the Profit Scale become payable during the lifetime of
the Assured, thus rendering a Policy of Assurance a
means of subsistence in old age, as well as a protection
for a family, and a more valuable security to credi-
tors in the event of early death; and effectually
meeting the often urged objection, that persons do
not themselves reap the benefit of their own pru-
dence and forethought.

No extra charge made to members of Volunteer
Corps for services within the British Provinces.

The Ætna Life Insurance Company.

AN attack, abounding with errors, having been
made upon the Ætna Life Insurance Co. by the
editor of the Montreal Daily News: and certain
agents of British Companies being now engaged in
handing around copies of the attack, thus seeking
to damage the Company's standing.—I have pleasure
in laying before the public the following certificate,
bearing the signatures of the Presidents and Cashiers
who happened to be in their Offices) of every Bank
in Hartford; also that of the President and Secretary

Phoenix Mutual Life Insurance Co
HARTFORD, CONN.

Accumulated Fund, \$2,000,000. Income, \$1,000,000.

THIS Company, established in 1851, is one of the
most reliable Companies doing business in the
country, and has been steadily prospering. The
Massachusetts Insurance Reports show that in nearly
all important matters it is superior to the general
average of Companies. It offers to intending assu-
ers the following reasons, amongst others, for pre-
ferring it to other companies:

It is purely Mutual. It allows the Insured to
travel and reside in any portion of the United States
and Europe. It throws out almost all restriction on
occupation from its Policies. It will, if desired,
take a note for part of the Premium, thus combining
all the advantages of a note and all cash company.
Its Dividends are declared annually, and applied in
reduction of Premium. Its Dividends are in every
case on Premiums paid. The Dividends of the
PHOENIX have averaged fifty per cent. yearly. In
the settlement of Policies, a Dividend will be
allowed for each year the policy has been in force.
The number of Dividends will always equal the out-
standing Notes. It pays its losses promptly—during
its existence never having contested a claim. It
issues Policies for the benefit of Married Women
beyond the reach of their husband's creditors.
Creditors may also insure the lives of Debtors. Its
Policies are all Non-forfeiting, as it always allows
the assured to surrender his Policy, should he
desire, the Company giving a paid-up Policy there-
for. This important feature will commend itself to
all. The inducements now offered by the PHOENIX
are better and more liberal than those of any other
Company. Its rate of Mortality is exceedingly low
and under the average.

Parties contemplating Life Insurance will find it
to their interest to call and examine our system.
Policies issued payable either in Gold or American
currency.
