Cheese Board Met

Campbellford.—A special meeting of the Campbellford Cheese Board was held on Monday, almost every factory being represented. The object of the meeting was to discuss a resolution of the Eastern Dairywomen's Association, requesting each factory to send a delegate to Ottawa on Wednesday of this week to interview the minister regarding the price of cheese. It is felt that milk is being taken by condensers at a higher price than the present fixed price of cheese brins, and as a consequence several cheese factories have closed. Mr. W. S. Grills occupied the chair. The secretary read the resolution passed by the Association and Mr. Hume explained the causes leading up to the passing thereof. It was not a mere matter of dollars and cents, but if the Government is really anxious to have cheese, a price should be paid which would be equal to that paid by creameries or condensers. Mr. E. C. West said if the Government wanted cheese, the only way they could get it was by paying a price that would prevent milk being manufactured into other products. Moved by Mr. R. D. Rutherford seconded by Mr. West, that the delegation meet at the Windsor Hotel, Ottawa, on Thursday morning to arrange for the interview with the minister. Carried. Moved by Mr. VanVolkenburg, seconded by Mr. Armstrong, that the delegates from here go by G.T.R. to Belleville and C.P.R. from Belleville to Ottawa. Carried.

STIRLING

Mr. Allen Melkiejohn, of Provost, Alta., is visiting his sister, Mrs. W. Mather. At a meeting of the Board of Trustees of the Methodist church held last night, it was decided to accept the services of Percy D. Mulharon, of Brussels, as organist, the same to commence two months hence. Mr. A. A. Munna, of Benedict, N. D., is visiting his sister, Mrs. Jas. Lanigan, of Stirling. Pte. William Lowery, who has recently returned from France, and his sister, Mrs. F. Harrison, of Frankford, are the guests of Mr. and Mrs. Harold Martin. Gar. W. F. Linn, of the 72nd Battery, Kingston, returned to Kingston on Wednesday after spending a few days at Toronto and at his home here. Mrs. Johnson, of Bowman River, who has been spending the winter months here, is visiting friends in Madoc and expects to leave soon for her home in the West. Mrs. Wm. Montgomery on Monday morning received a telegram from the west containing the sad news of her brother's death. Mr. David Corrigan, daughter and son-in-law, Mr. and Mrs. Bert Clark, of Central Alberta, who have been visiting at the home of the farmer's brother, Mr. A. Corrigan, and other relatives, expect to return to the West shortly. Mr. C. U. Clancy reports that the sale of Mr. J. H. Parks, Hord's, was one of the most successful held this season, stock and implements selling at very high figures. The amount realized was \$5,400 and was sold in three hours and forty-five minutes. Morley Haggerty, son of Mr. Richard Haggerty, of West Huntingdon, is very ill of pneumonia. Mr. and Mrs. W. Best, of Limerick, Sask., who have been visiting his father's sister, Mrs. E. F. Williams, and other relatives in town and vicinity, expect to leave for the West on Monday next.—Leader.

PICTON

Conductor Sidney Alcott in boarding his train at Bloomfield Tuesday morning, slipped and fell on the icy pavement, fracturing his collar bone.

Pla. Earl Hickey, who left here with the 30th Battalion, returned home on Monday. Pte. Hickey was wounded some months ago. E. S. Spriggs, formerly of the Aylmer Canaling Company, has accepted a position with one of the independent canning factories in Picton. Pte. H. D. Franklin, Picton, is reported wounded. Rev. Mauly Benson, D.D., who has been fifty-five years in the Methodist ministry, is retiring this year. John Moxon & Company have purchased the Theatrum building on Main Street and will turn it into a hardware store. This building is located in the centre of the mercantile section of Picton and will make an excellent store for the purpose for which it has been acquired. This enterprising firm is not inclined to let an opportunity pass, even in winter. Success has followed the Moxon firm and their new investment will no doubt prove profitable.—Times.

DESERONTO

Fred J. Hill was before Magistrate Bedford on Monday charged with being drunk on Saturday evening. He was sentenced to serve four months in Belleville jail. Mr. Clayton Hutchinson, son of Mrs. Alex. Keith, has enlisted with the Ambulance Company 337, Camp Guster, Mich. His elder brother, Benny, is also a member of the same company. Lieut. C. M. Passmore, son of the late Dr. Passmore, a former Deseronto druggist, has been wounded at the front while with the 123rd Battalion (Royal Grenadiers), a Toronto battalion. Mrs. Minnie Bristol and little niece, Orilla, spent the week-end with Mr. and Mrs. Jas. Fraser. Corpl. Roy Mills and Ernest Stephenson, Camp Mohawk, spent the week-end in Belleville. The Misses Hillins, Christie and Killoran, of Peterboro, returned to town on Monday to resume their employ at the Domation Match Factory. Needless to say three local young men were "delighted." Mr. Henry R. Bedford received a nasty cut on the back of his head on Tuesday afternoon through falling and striking his head on Mr. Jas. Cole's doorstep. Medical attention was necessary.—Post.

ZION

Mr. and Mrs. George White spent Sunday evening at Mr. H. Casey's. We are very sorry to hear that Mrs. James Hamilton had the misfortune to break her hip. Mr. and Mrs. E. Lloyd of Belleville spent Sunday at Mr. Wilmen Sills'. We are glad to report that Mr. Wilmen Sills is improving under the skillful treatment of Dr. D. W. Faulkner.

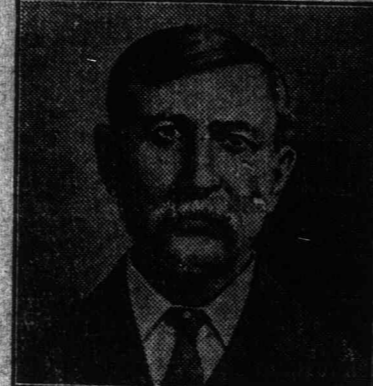

Last Friday afternoon, the teacher and pupils at our school had a surprise concert during which they presented three of the pupils who are leaving the school with gifts by which to remember them. To Mollie McMillion they gave a gold brooch, and to Garfield McMullen and Clarence Armstrong they gave gold tiepins. The program consisted of recitations, musical selections and a contest after which refreshments were served. Last Tuesday several of the ladies of the W.M.S. met at the home of Mrs. Wilmen Sills and presented her with a life membership certificate of that society. Mrs. Myron Hawley is spending a few days visiting relatives across the bay.

MARYSVILLE

In the memory of the oldest inhabitant such a hard, cold winter wasn't experienced. The north wind's roars are almost impassable since the thaw, they are full of holes. Mr. Fara and god placed out on the country road and put it in good condition for travelling. No. 7 school opened on Feb. 3rd with Miss Mary Freeman, of Roslin as teacher and Mr. H. Oliner as caretaker. Mr. J. S. Meagher secured the wood for the school from Mr. J. V. Welch, 8th concession of Tyendinag. Mr. T. O. Sullivan was at Deseronto on Thursday. Mrs. Hannah Sheehan West Brook returned home after spending a month with her sister, Mrs. J. C. Meagher. Mr. Archie Campbell is spending the cold weather with his daughter-in-law, Mrs. M. Campbell at Belleville. Mr. Leo Kenny, of Toronto dropped off and spent a couple of days with his cousin, J. S. Meagher on his way home, after visiting friends in the east. Miss Rose Fahoy came home last Thursday after spending a couple of weeks with her sister, Mrs. James Shaughnessy, Toronto. Mrs. John S. Meagher came home on Monday after spending two weeks with friends at Sharpston.

FRIENDS THOUGHT HE WOULD DIE

"FRUIT-A-TIVES" Conquered Dyspepsia and Restored His Health.

MR. ROBERT NEWTON, Little Bras d'Or, C.B. "I was a terrible sufferer from Dyspepsia and Constipation for years. I had pain after eating, belching gas, constant headaches, and did not sleep well at night. I lost so much weight going from 185 pounds to 146 pounds—that I became alarmed and saw several doctors who, however, did me no good. Finally, a friend told me to try 'Fruit-a-tives'. In a week, there was improvement. The constipation was corrected, and soon I was free of pain, headaches and that miserable feeling that accompanies Dyspepsia. I continued to take this splendid fruit medicine and now I am well, strong and vigorous." ROBERT NEWTON. 50c a box, \$ for \$2.50, trial size 25c. At all dealers or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

Our teacher is taking her board with Miss M. Casey. The weather has been so disagreeable that Miss Vera Mounthey had to engage board with Mr. F. Oliver to be able to attend school. The many friends of Mrs. C. Sullivan, at one time a respected resident of this place, were grieved to hear of her death which took place at the residence of her nephew Mr. E. McNeely, Nanapan, on Feb. 27rd. Mr. and Mrs. T. Dranis spent Friday afternoon with her father, Mr. James Darcy. Many were sorry to hear of the death of Dr. John Newton. We will miss his untiring attention, kindness and sympathy in the time of sickness. Messrs D. and J. Harvey spent Monday evening at Deseronto. Mr. McCarty is not improving as fast as his many friends would like.

MASSASSAGA

On Wednesday last it got noised about that Mrs. W. Simpson (nee Miss Broad) intended starting on Saturday for her new home in warm Alberta, and on Friday night her friends and neighbors numbering about seventy-five gathered to wish her bon voyage also presenting her with the following address: Massassaga, Feb. 22, 1918. Dear Anna,— We your friends and neighbors have met together this evening with mingled feeling of pleasure and regret on the eve of your departure to extend to you our good wishes for your future welfare and happiness in your new home. During the years in which we have associated together we have grown to appreciate you. You have always been willing to assist in church, social and Red Cross work. We also have found you in the every day walks of life, sympathetic, obliging, kind, and ever ready to lend a helping hand in time of need. As a slight token of appreciation we ask you to accept these pieces of silver, not for their intrinsic value, but for the love and esteem which is held for you in the hearts of the Massassaga people. We pray God's richest blessings may rest on you and your husband and we know that in your new home you will not forget your old friends and neighbors of Massassaga. Signed on behalf of your Massassaga friends. After Mrs. F. Lott read the address and Mr. H. Jose presented the pieces, Mr. Simpson made a suitable reply, then the ladies served lunch and games and music passed the rest of the evening.

Why A White Elephant?

It had been a matter of general regret by the people of Campbellford and farmers in the vicinity of that town that the Smith Mill, now owned by the Hydro-Electric Power Commission, is standing idle. The mill is fully equipped with machinery for the manufacture of flour and for chopping grain and why should it be standing idle? Farmers are greatly handicapped by the necessity of having to wait for their chop when they bring it to town, as it is quite impossible for one mill to serve adequately the needs of the farmers in the matter of chopping. The cry is "produce more, conserve food and time and energy." The producer, at a time when the world is facing a shortage of food if not famine, is the key man. Everything possible should be done to help him produce more. Time is the big item with the farmer. The Government of Ontario is putting forth big efforts to help production. They can help the farmer in the matter of chopping, by giving him the privilege of using the mill for chopping purposes. We understand that the Hydro-Electric Commission fixed the rent at a prohibitive figure. That is unfortunate in view of the great service the mill could perform for the people of the vicinity. We are informed that a petition is being signed by the farmers asking the Hydro-Electric Commission to place the rent at a figure that is reasonable so that someone will be willing to lease it. There can be no adequate reason why the mill should not be running full time both for milling and chopping purposes.—In addition to the help it would be to the farmer, the people would be able to get flour much cheaper if it could be manufactured here.—Campbellford Herald.

THE BEEHIVE CHAS. N. SULMAN

Picked Up Around Town

An uptown merchant makes the suggestion that the W.C.A. fountain in front of the city hall should be removed to a central position on street. The fountain is not in use in summer and it is thought that it might serve the upper section of Front street. "I don't think there is a merchant up street who would not put in a dollar towards the expense of removing it," the merchant said. A citizen suggests that an effort should be made to have a registered government thermometer hung outside the Belleville Post Office. At present there are a number of thermometers with many readings, no two ever agreeing. These are hung outside shops on Front street, but owing to the variety of readings, the public does not know which one is correct if any. A citizen suggests that the City Council should pass a bylaw that would make all owners of dogs and also cats keep them on their own premises. Now that the spring season is coming on it would be a good idea to enact this law right away as the city gardener would not have to put up with the nuisance of dogs running through their gardens. The trial of Wilson vs. Mackintosh is, as far as the authorities are aware at present, to proceed at the assizes next week at Picton. In our Thursday's issue it was stated that the trial was to be held over till June. Mr. W. C. Mikel, K.C., who is acting as crown prosecutor at Picton has informed us that this is an error. At that time no such order had been given out, and as far as he is aware, no order for postponement has yet been issued. He had been given to understand that the defendant had applied for a postponement of trial, but this request had not yet been granted. As far as he knew the case would be taken up at next week's assizes. Mr. W. N. Ponton, was yesterday elected vice-president of the Ontario Bar Association. The historian and archivist is Mr. W. H. Harrington, K. C. of Nanapan. No Asthma Remedy like it. Dr. J. D. Kellogg's Asthma Remedy is distinctly different from other so-called remedies. Were it not so it would not have continued its great work of relief until known of value.
