this week for Manitoba. If the land
suits him, he intends settling in the
neighborhood of Portage la Prairie.
China, Crockery, Glassware and Jams

JAMES SWAN, of Listowel, writes to the
Mail denying the charge made in the tele-
graphic despatches associating his name
with the Listowel contest.
W. Palmer & Co. have the cheapest
assortment of milk crocks and flower pots
ever offered in Listowel.
We understand that Mr. F. W. Meekes,
proprietor of the American hotel, has
sold out to Mr. J. W. Krueger, of Fort
Elgin, who takes possession in May.
TRY Lard and tallow.

are reminded of the annual meeting of
the North Perth Conservative Associ-
ation, which will be held at Milverton on Wed-
nesday next, 16th inst.

on hand the largest and best selection
of the choicest Lagers, Wines, etc., in town.
MR. McCALEM, head master of the
Listowel High School, has been laid up
this week with a severe attack of quinsy.
We are pleased to learn that yesterday
he was considered very much better.

town for Carling's Milk and Lactic Acid
preparations, and manufacturers' prices.
NORTHWEST.—On Friday last seventeen
persons left here for Grand Trunk
special excursion train for Dakota and
the Northwest. Mr. C. Hacking, town
agent G. T. H., furnished the party
with through tickets.
Dried Apples in large quantities at 4c
per lb., and \$1.25 per bushel, at Toronto
Store, Call soon.
The weather during the past few days
has been exceedingly mild, the warmth
of the sun causing a rapid melting of
the snow, and imparting a spring-like
appearance. After the unusually steady
winter which we have experienced, an
early spring would be very acceptable.
D. W. Palmer & Co. have secured a
choice selection of the best brands of Im-
ported Wines and Liquors for medicinal
purposes.
RECEIVED A CALL.—Rev. A. F. McGregor,
B. A., for some time pastor of the Con-
gregational Church in this town, has re-
ceived a call to the Western Congrega-
tional Church, Toronto. The Rev. gentle-
man will be sure to have his last
of his many friends in Listowel in his
new field of labor.
D. W. Palmer & Co. have on hand
about 50 bushels of the largest and best
selection of the finest quality of
Call soon.
A couple of lads of tender years, but
evidently of depraved natures, were
arrested on Wednesday on a charge of
stealing copper bottoms from the
establishments. The worst lad of the
two, whose name is Ireland, was reman-
dated; the other was discharged with a
reprimand.
Don't forget the Toronto Tea Store
which is now open for cheap, good value
for the money.
Rev. W. McDonnell, of Kincardine,
conducted the Sabbath School anniversary
services in the Canada Methodist
Church on Sunday last. There were
very large congregations present both
morning and evening. The Sabbath
School tea meeting on the following
proceeds amounted to \$30.
D. W. Palmer & Co., of the Toronto
Store are giving away the following
the dollar of light brown and 5c of granu-
lated. Give away.
We have received from the publishers,
Munn & Co., New York, a copy of the
"Illustrated Scientific News," a monthly
scientific journal. Like the "Scientific
American" and kindred publications
emanating from this house, excellence
in all its parts is its standard. This
publication will be found instructive and
entertaining to all classes, but will be
best appreciated by the most intelligent.
The subscription price is \$1.50 per year,
somewhat below the rate in the number
of head-off, consequently transactions
were limited. Some sales were made of
animals for feeding, at from \$10 to \$25.
For fat cattle, of which there were but
few offerings, \$5.50 per cent. was the
standard figure. As the season advances
business in this class of stock will rapidly
increase. A number of farmers in this
vicinity have already sold their fat stock,
to be delivered after navigation opens.
O. Y. B. Assembly.—The assembly held
by the Orange Young Britons of this
town in Osborne's hall on Friday evening
last was a brilliant success. There was
a large gathering of young people, some
sixty or seventy couples being present.
The hall was very tastefully decorated
with banners, appropriate mottoes and
pictures. Excellent music was furnished
by Prof. Holland's string band, and every
facility was given the disciples of Terpsichore
to thoroughly enjoy themselves.
The refreshments were supplied by
Messrs. Haganman Bros., who proved
themselves efficient caterers.
Some idea of the extent of the business
done by Messrs. Hess Bros., furniture
manufacturers, can be gleaned from the
number of logs which this enterprising
firm have purchased during the past
winter. We understand that the figures
reach upwards of three million feet of
logs. Before another winter sets in this
enormous amount of "raw material" will
probably have been consumed in the
manufacture of furniture, from Melbourn
enterprises such as that of Hess Bros.
springing up and developing throughout
the country, it surely will not be said
that the manufacturing industries of
Canada are insignificant and unworthy
of encouragement.
NORTH PERTH CONSERVATIVE ENTHUSIASTS.
We understand that the following is a
correct list of the names of the members
of the North Perth Conservative Enthu-
siasts Association, which is now open for

ry, Thomas Kelly and Jacob Herr, Jr.

BESOM AND STANES.—The Listowel
curlers have been taking advantage of
the excellent condition of the ice this
week, no doubt realizing that the days
of the "rain" game were nearly num-
bered for the present season. A match, two
rinks a side, composed of members of
the Listowel curling club, took place on
Wednesday morning. The position of
affairs at the close of the game was as

Teachers' Association.—The teachers of
North Perth assembled in Listowel on
Friday and Saturday last to attend the
semi-annual meeting of the Teachers' As-
sociation of the Riding. A programme
of topics calculated to be beneficial to
the teachers engaged the attention of
the association during its sittings. On
Friday evening the association gave a
public entertainment in the town hall
which was well attended by our town-
people. An impromptu programme con-
sisting of addresses, vocal music, reading,
etc., comprised the entertainment. Mr.
D. D. Campbell discharged the duties of
chairman. Previous to dispersing on
Saturday, the association resolved to
send a committee with an invitation from
the Teachers' Association of South Perth
to hold a union meeting in Stratford at the
commencement of the mid-summer vaca-
tion.
