PERFECT WEATHER CAUSED THOUSANDS TO THOROUGHLY ENJOY VICTORIA DAY

Unusually Large Number of St. John People Got Out of Town---Day Spent Quietly in Moncton and St. Stephen---Horse Racing in Fredericton Not Interesting.

More perfect weather for Victoria Day could not have been desired and an unusually large number of St. John people went out of the city. Those who remained had lots to take up their attention in the way of sports, baseball, rifle matches, amusements in two different parks, etc., etc. At Moncton the day was spent' quietly, and that is true also of Fredericton and the towns throughout the province.

FREDERICTON, May 25. - The holiday was quietly observed here today. The weather was all that could be desired and livery stables did a rushing business. The attractions included baseball, horse racing, college sports and a football match, as well as the Calhoun company at the Opera. House in the evening. The Victorias and St. Dunstan's, two of the teams in the Amateur League, played morning and afternoon at Sculley's grove The Victorias won out in the morning feat in the afternoon, 7 to 9. The latter game was interesting and some good baseball put up.

The Royal Canadian regiment football team defeated their St. John rivals on Post Office square. 3 to 1, this afternoon in the presence of a goodly number of spectators.

The Day in St. Stephen

ST. STEPHEN. May 25.-The border people are indebted to the enterprisinig citizens of Milltown for an excellent observance of Victoria Day, Ideal weather prevailed and over three thousand people participated.

The principal features were a grand parade of societies, school children exercises with an address by Rev. W. W. Rainnnie at 1 p. m. and a great

MONCTON, N. B., May 25 .- Victoria Day passed off quietly. A large number of people went out of the city and there was little of a nature to attract the attention of those who remained in town, with the exception of a baseball game between St. Joseph's College and Monoton, which was largely
