NOTICE.—C. H. Borden, Wolfville, will offer his entire stock for 30 days at figures that defy competition.

It is reported that E. Bigelow Sons & Co., of Canning, have assigned to Chas. E. Borden of Canning and Robert M. Rand of Canard, with liabilities amounting to some \$50,000, nominal assets to \$60,000 or \$70,000. Assignment protects their creditors as first preferential.

Why pay six or seven dollars for making a suit when you can get a better fit and better made at Caldwell & Murray's for little more than the price of the cloth. Their overcoats are the best fitting in the market and wonderfully cheap. Dec 12

We have received the first two numbers of the *Good Templar Herald*, published at 111-Agricola St., Halifax, Official Organ of the Grand Lodge of N. S. It is well filled with temperance literature; and its small price, only 30c. a year, places it within the reach of all. We wish it every success.

FATAL ACCIDENT AT THE GORE, HANTS CO.—By the fall of some tons of rock and debris in the Antimony mines at the Gore, Hants Co., Thomas Weatherhead was instantly crushed to death and four others considerably injured. The accident took place on the 17th inst. at a depth of about 250 feet down the main shaft.

CINDERELLA.—The students of Acadia Seminary in their public entertainment of Friday, Feb. 20th, made a departure in a new line. They presented the old but pretty story of Cinderella in a series of songs and readings. A large amount of study and time must have been given to the matter by Miss Hitchens and her pupils. The proceeds, amounting to about \$30.00, is to be devoted to purchasing books for the College Library.

New Silks, Satins, Laces, etc., in all shades, just opened at BURPEE WITTER'S.

BURGLARY.—Mr. R. Prat's shop has again been the subject of a dastardly outrage. On Saturday night between the hours of 11 and 12 o'clock during the temporary absence of Mr. Prat, some person or persons unknown broke a light of glass in his front window over the shutters and succeeded in fishing up some confectionery. Fortunately they did not get inside, probably being frightened by someone coming down the street, as a great number of persons were around that evening. The wheels of justice seem very slow in this place, but probably it will grind to dynamite some day.

Thomas Cramp, eldest son of the late Rev. Dr. Cramp, died suddenly at Montreal, on the morning of the 18th inst. The *Toronto Daily Mail* says of him:

"Mr. Cramp was a fluent and popular speaker at public meetings and could hold the attention of his audience by the cogency and ability of his arguments without any attempts at flights of oratory. He was a man of mark in this community and has left few merchants to fill his place. He leaves a wife and two small children, beside a brother who is a Q. C., to mourn his loss. In his forty years residence here he preserved an honorable and unspotted name for all these high qualities of character which go to make a noble man in the strictest sense of the word.

People are finding out every day that the merchant who gives long time must get long prices. Caldwell & Murray sell for cash or its equivalent and the people save money by buying from them, because there are no bad debts to be made up. Dec 12

A PRACTICAL SERMON TO YOUNG MEN.

BY H. G. EASTMAN, LL. D.

You are the architects of your own fortunes; rely upon YOUR OWN STRENGTH of body and soul. Take for your STAR, Industry, Self-Reliance, Faith, and Honesty, and inscribe on your banner, LUCK is a fool, PLUCK is a hero. Earnest effort IN ONE DIRECTION is the surest road to wealth and high position; diligence and stick-to-it-ness is the winning hand. Don't take too much advice, keep at the helm and steer your own ship, and remember that the great art of commanding is to TAKE A FAIR SHARE OF THE WORK. Don't practice too much HUMILITY, think well of YOURSELF—strike out—assume your position. It is the JOSTLINGS and JOLTINGS of life that bring GREAT MEN to the surface; put potatoes in a cart over a rough road, and SMALL potatoes go to the bottom; turn a raft of logs down a mill-race, and the LARGE logs come on TOP. Rise above the envious and jealous. Fire ABOVE the mark you intend to hit. ENERGY, INVINCIBLE DETERMINATION, with a right motive, are the levers that move the world. Don't drink. Don't chew. Don't smoke. Don't swear. Don't deceive. Don't read novels. Be in Earnest. Be Self-Reliant. Be Generous—there are TWO SIDES to every BALANCE, and FAVORS thrown in one side of the scales are sure to be reciprocated in the other. Be Kind. Be civil. It is a foolish man who does not understand that MOLASSES will catch more flies than VINEGAR. Read the PAPERS—they are the Great Educators of the People. ADVERTISE your Business. Keep your own Counsel, and superintend your own Business. MAKE MONEY, and do good with it. Love your God and Fellow-man. Love truth and virtue. Love your Country and obey the laws.

CRUMBS OF COMFORT.

Ear ache, tooth ache, head ache, neuralgia, and deafness can be instantly relieved and finally cured by Johnson's Anodyne Liniment. Get a bottle and read directions.

STILL THEY COME.—Dr. G. M. Duncan, of Bathurst, writes:—"Egger's Cod Liver Oil Cream Phospholine gives me entire satisfaction. My patients too like it better than any other Emulsion. Its results are sometimes surprising, especially in wasting diseases of children."

The editor of an agricultural paper says there is absolutely no cure for hog cholera but that *Sheridan's Condition Powders* given occasionally will certainly prevent it. Be sure to get Sheridan's. The kinds in large 25c. packs are trash.

Found! a Plum Tree that will not Black Knot!

The **Masters Plum Tree** has stood the test 40 years in Kentville, King's County, Nova Scotia. Chas. A. Masters, of Kentville, found this tree growing on lands now owned by Judge G. A. Blanchard forty years ago, and removed the tree to his garden in the village, where it now stands a healthy bearing tree, and is now owned by me. There are scores of trees throughout the village in bearing from 4 to 20 years old which bear every year, and not a vestige of black knot appears on one of them. The tree is an annual bearer of rapid growth, growing tall not spreading. The Plum is quite large, purple color, and of excellent quality. It is the best preserving plum grown, and sells higher than any plum brought into the market. Last year, while the crop was immense, this plum readily brought \$3.00 per bushel, \$1.00 more than any other variety offered for sale. We have several hundred first class trees to offer for the spring planting and intend to plant 6,000 root grafts here. That this is the best and most profitable Plum Tree to plant that is grown in the Dominion of Canada, and that it will not black knot we refer the planters of this delicious fruit to F. S. Masters, Barrister, of whom we purchased the original tree; also to Chas. A. Masters, G. A. Blanchard (Judge), J. R. Blanchard, H. B. Webster, M. D., J. E. Mulloney, M. D., Otho Eaton, John Byrne, T. E. Smith, J. A. Shaw.
