News to most women!

Oven-tested flour is for sale. Instead of buying ordinary flour you can buy flour whose baking ability has been proven in an oven.

A ten pound sample is taken from each shipment of wheat at the mill. This is ground into flour. The flour is baked into bread.

If this flour bakes into bread high in quality and large in quantity we keep the whole shipment of wheat and grind it. Otherwise we sell it.

More bread and better bread from this flour is a certainty!

WHEN YOU POST OFFICE AND CUSTOM HOUSE WILL FIND ACCOMMODATION.

The accompanying illustration is a fine representation of the new Dominion Government Building recently erected in Wolfville. Our citizens are justly proud of this beautiful addition to the number of handsome and substantial public buildings built in this thriving town during the last few years.

It is built entirely with smooth cut sandstone and occupies a commanding position in the middle of a lot about 300 ft. square on Main street opposite the new Royal Bank building and the Bank of Montreal. Travellers say this is the finest post-office of any in the small towns of the Dominion.

The post-office department will occupy the first floor except one room reserved for a bonded goods warehouse in connection with the customs office, which will have commodious quarters on the second floor, where are also very comfortable apartments for the use of the janitor and his family, fitted with all modern conveniences.

The floors of the main entrance and lobby of the post-office, and also the entrance to the customs house, are laid with white enameled tile. The remainder of the floors throughout the building are hard-wood. The front and side entrances, as also the main staircase, are finished in oak, and the whole presents a very neat and substantial appearance.

The basement has several large rooms all having concrete floors. The boiler room contains two large boilers that supply the hot water heaters throughout the whole building.

There is a generous supply of electric lights and other modern conveniences.

The works approaching the building are laid with cement. Concrete with granite steps are at each entrance.

The driveway surrounding the building is built with broken stone and gravel.

A clock tower to be installed in a clock-tower prepared for it, and the post-office boxes in numbers sufficient to meet the demands of the citizens for some years, are expected to be ready for installation in a few days, and it is hoped the new year will find a long list of mail supplied by the opening of this magnificent building for the use of the public.

Believers forever attribute a speedy recovery to Chamberlain's Cough Remedy, saying he had used it for years. I bought a bottle and it relieved my cough the first night, and I was rid of the cold and cough of my lungs, writes Miss Marie Gordon, Seattle, Cal. For sale by all dealers.

The Town of Nogood.

My friend, have you heard of the town of Nogood? On the banks of the St. Lawrence River, where the mountains rise above the air, and the soft breezes blow.

It lies in the valley of Whitehead, in the Province of Ontario, and is a town of about 1000 inhabitants.

The town is as old as the human race, and it grows with the flight of years; it is wrapped in the fog of life's dream; its streets are paved with discarded schemes.

My friend, from the dead alive town of Nogood, if you would keep far away just follow your duty through good and ill; Take this for your motto, 'I can; I will; And live up to it each day.

The Language of Kindness.

Have young people ever wonder how everybody understands the language of kindness? The other morning an Indian woman came into the city with a great big bag of goods.

She was carrying a big bundle of goods, and she was carrying a big bundle of goods, and she was carrying a big bundle of goods.

Wolfville's Progress.

THE PAST SEASON SHOWS STRADY GROWTH.

While building operations in Wolfville have not been as active as last year, possibly there will soon be a revival of activity.

The Presbyterian church, which was destroyed by fire in August, will be replaced in a short time by a substantial structure that will probably be an ornament and class in well with the other splendid buildings recently erected. The Manse is now being moved up on Seaview avenue to make a corner site for the new building.

Mrs. R. D. G. Harris has laid the foundation for a handsome new double residence on Seaview avenue, this building will be an innovation in architecture, being the first concrete veneered building that has been put up here.

The Boy Scouts' new gymnasium and reading room has just been completed and is occupied by a lot of live young men who are delighted with their new quarters. This is one of the best assets of our town. Work is being done here by Mr. Percy Brown and the Council of the Scouts Association that means much for the welfare and future life of our boys.

Mr. Black has made improvements on the Opera House; as a centre for high class entertainments and a useful public auditorium it is filling a long felt want in the town. The Institution is well under way with the new library. When completed it will be one of the many handsome buildings that are being erected on the Hill. We are justly proud of the energetic advancement of Acadia. It means everything for the future of our town as a first class residential and educational centre.

During the past season a large amount of work was done on the Main street from the extreme west line to the top of Church Hill. We have a street that we are justly proud of. It has been the means of increasing business and bringing in new people who are looking for a clean up to date place to locate. Sidewalks will be the next improvement.

It is hoped that the streets of Wolfville will be an incentive to the outlying districts to agitate until we are connected with Grand Pre, Gasperon, Fort William and Kentville with the same good roads. Let every patriotic individual keep at it until we have a street that we are justly proud of. It has been the means of increasing business and bringing in new people who are looking for a clean up to date place to locate. Sidewalks will be the next improvement.

With contemplated improvements on our waterfront we think the shipping here will be largely increased.

Universal Bible Sunday.

The idea of a universal Bible Sunday is that on one and the same day throughout the whole Christian world the Holy Scriptures shall be the subject of special consideration, not only in the Churches and Sunday Schools and wherever people congregate, but in the homes, and that each recurring anniversary shall be the occasion for reviewing the position of the Bible in the world, the progress of its circulation and translation into the various languages, and its relation to all conditions of national and individual life. In such an annual review the discoveries which are every year throwing some new light on the records of Holy Writ can be laid before the people, so that the Word of God may be more deeply studied as its truth is more clearly attested to the intelligence of mankind.

The observance of a Bible Sunday has already made substantial progress in various parts of the world. It has been observed for some years sporadically in Great Britain, the United States, Canada, Australasia, South Africa and in the mission churches of North Africa. It has been established in places in China, while in Korea it is celebrated on a national scale and was last year made the occasion of general thanksgiving to commemorate the completion of the Bible in the Korean language. In parts of India it has become an important annual event, and in a number of cases the Hindus and Mohammedans join the Christians in paying honor to the

Be Honest.

Speaking of honesty, a storekeeper looking after a young girl who had just walked out of the door, said to a customer: "Children do not seem always so ungrateful that they have no right to help themselves to tiny bits of candy or other trifles that happen to be on the counter. The girl who just left never comes into this shop without a little petty pilfering. She takes a peppermint drop or a chocolate, and she is not an idea that she is doing anything wrong. Older people do the same thing, and an merchant has no way by which he can protect himself unless he can keep his goods all the time under lock and key. Not one of us would like to be labeled in the mind of another as a thief. We would hold this store by being honest all through as honest about little things as large things.

A REMARKABLE REMEDY.

The most afflicted people on earth are those who suffer from rheumatism and about one-fourth of our people are afflicted with this terrible, time racking, bone crippling disease. So many people neglect themselves and rheumatism follows in its own form and then another ailment they are an example of the tortures of rheumatism. Rheumatism has gained the great reputation through being a quick and permanent cure for rheumatism in its many forms. Don't put off getting a bottle of Rheumatism today, it means your health and happiness. Rheumatism is sold in Wolfville only at Hatch E. Calkin's drug store, \$1.00 a full size bottle.

How to Bankrupt the Doctors.

A prominent New York physician says, "It is not for the thin stockings and thin shoes worn by women the doctors would probably be bankrupt." When you contract a cold do not wait for it to develop into pneumonia but treat it at once. Chamberlain's Cough Remedy is intended especially for coughs and colds, and has won a wide reputation by its cures of these diseases. It is most of comfort and pleasant and safe to take. For sale by all dealers.

Dr. de Van's Female Pills.

A reliable French regulator, never fails. These pills are exceedingly powerful in regulating the sensitive portion of the female system. Before taking Chamberlain's Cough Remedy, be sure you are not suffering from a cold or other ailment. It is sold in Wolfville only at Hatch E. Calkin's drug store, \$1.00 a full size bottle.

California Woman Seriously Alarmed.

"A short time ago I contracted a severe cold which settled on my lungs and caused me a great deal of annoyance. I would have had coughing spells and my lungs were so sore and inflamed I began to be seriously alarmed. A friend recommended Chamberlain's Cough Remedy, saying she had used it for years. I bought a bottle and it relieved my cough the first night, and I was rid of the cold and cough of my lungs, writes Miss Marie Gordon, Seattle, Cal. For sale by all dealers.

ASHAMED OF THE PIMPLES

Pimples and disfiguring skin diseases are particularly distressing to young ladies and gentlemen. The embarrassment is so great that you feel ashamed to appear among your young friends in society.

Fortunately, there is a cure for such annoying skin diseases by the use of Dr. Chase's Ointment. So much is heard of this great, soothing, healing ointment as a cure for eczema and the more serious diseases of the skin that many overlook it when bothered by pimples, blackheads, roughness of the skin and skin irritation.

It is surprising what Dr. Chase's Ointment will accomplish in a few days when applied frequently. Instead of merely covering up the disfigurement, and further aggravating the inflammation, it soothes and heals the skin, and leaves it soft, smooth and velvety.

PIMPLES AND BLACKHEADS. Miss Carrie Altwater, Bitters Lake, Ala., writes: "I was entirely cured of pimples and blackheads some months ago by using Dr. Chase's Ointment. As I have also found this ointment a splendid treatment for sunburn and chapped hands, I would not be without it in the house. It is the best I ever used."

Dr. Chase's Ointment, 60 cents a box, all dealers. Sample box mailed free. If you mention this paper, Edmondson, Bates & Co., Limited, Toronto.
