

PAIN NEARLY DROVE HIM MAD

Suffered Horribly Until He Turned
To "Fruit-Lives"

J. A. CORRIVAU

BRISDALE, ONT., June 10th, 1913
I am a general storekeeper at the above address, and on account of the great good I have experienced from using "Fruit-Lives", I recommend them strongly to my customers. They were a great boon to me, I can tell you, for about two years ago, I was laid up in bed with vomiting and a terrible pain at the base of my skull. The pain nearly drove me mad. Doctors feared it would turn to inflammation of the brain but I took "Fruit-Lives" steadily until I was cured. I have gained fifteen pounds since taking "Fruit-Lives" and I verily believe they saved me from a disastrous illness.

HOW TO OBTAIN GOOD DIGESTION

The Stomach Must be Toned and Strengthened Through the Blood

The victim of indigestion who wants to eat a good meal, but who knows that suffering will follow, finds but poor consolation in picking and choosing a fare. As a matter of fact you cannot get relief by cutting down your food to a starvation basis. The stomach must be strengthened until you can eat good, nourishing food. The only way to strengthen the stomach is to enrich the blood, tone up the nerves and give strength to the stomach that will enable it to digest any kind of food, in through a fair use of Dr. Williams' Pink Pills is to make rich, red blood that reaches every organ and every nerve in the body, bringing renewed health and activity. The following case illustrates the value of Dr. Williams' Pink Pills in curing indigestion. Mrs. T. Reid, Orangeville, Ont., says: "I have much pleasure in testifying to the reliability of Dr. Williams' Pink Pills. For several years I had suffered greatly from stomach troubles. Several doctors prescribed for me but their medicine did not help me. After every meal I would suffer great pain, and would often be attacked with nausea. I grew weak and had almost lost all hope of recovery. At this juncture I decided to try Dr. Williams' Pink Pills, which were recommended to me. In these pills I at last found the right medicine, and I am once more in good health. I have much pleasure in sending you my testimonial in the hope that it will encourage some suffering persons to try this sure remedy. Dr. Williams' Pink Pills are sold by all medicine dealers or will be sent by mail at 50 cents a box or six boxes for \$2.50 by the Dr. Williams' Medicine Co., Brockville, Ont.

"The people of New Brunswick want to know what they have had for their money." Mr. Carvell told the Royal Commission, "and I am going to let them know. I have been charged for two years as the man who has held this line up and I am going to show the people that I have had just cause for every word that I have uttered."

Every ten cent packet will kill more flies than \$3.00 worth of any sticky fly killer. Refuse substitutes, which are most unsatisfactory.
