During the lest season Court his brother bought the boat-house of organized Union Springs Rowing Club, have just moved it to make an addition their saw-mill. What other preparations fail to do. Hall's Hair Renewer's surely accomplishes. It renews the hair and especially restores its color along gray and faded. As a dressing it is unal capassed, making the hair majors oft and glossy. The most economical preparations ever offered, its effects remain a long time, and those who have once made a trial of it will never use any other.—Advertiser and Union, Fredoma, N. Y.

AYER'S PILLS have been known for more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct diseased action in virtues. They correct diseased action in the several assimilative organs of the body, and are so composed that obstructions within their range can rarely withstand or evade them. Not only do they cure the every-day complaints of every-body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, the safest and best physic for children. By their aperient action they gripe much less than the common purgatives, and never give pain when the bowels are not inflamed. They reach the vital fountains of the blood, and strengthen the system by freeing it from the elements of weakness.

Adapted to all ages and conditions in Adapted to all ages and conditions in all climates, containing neither calomel nor any deleterious drug, these Pills may be taken with safety by anybody. Their sugar-coating preserves them ever fresh, and makes them pleasant to take; while being purely vegetable, no harm can arise from their use in any quantity.
