IS A FACT ATTESTED BY THE HICHEST MEDICAL AUTHORITIES IN THE WORLD.

A careful observance of the laws of health, and the systematic and persistent use of scott's Emulsion of Cod Liver Oil with Hypophosphites of Lim and soda will accomplish this result. This preparation has all the virtues of these two most valuable specifies, in a form perfectly palatable, and acceptable to the most delicate stomach, and we make the unqualified statement that Scott's Emulsion is being used with better results and endorsed and prescribed by more physicians for Consumption—and the diseases leading to it, such as Chronic Coughs, Bronchitis, Scrofula, Anaemia, General Debility and the Wasting Disorders of Children, than any other remedy known to medical science. The rapidity with which patients improve on this food medicine diet, is truly marvellous. the law all persons who sell or attempt to sell any Oil for illuminating purposes branded in imitation of our

It is agreeable to the most delicate tomach; which renders it a very reliable agent as a nutritive remedy in consumptive and scrotifulous cases.

MESSRS. SCOTT & BOWFE: - Centlemen, - In Sertember, 1877, my health began to fail and my physician Messrs. Scott & Bowpe :—Gentlemen,—In Sectember, 1877, my health segan to fail and my physician pronounced it spinal trouble; under his care I got some rehel from pain, by five near the health did not improve, and early in the winter I began to raise blood and rapidly gove worse. In the lay lost I was taken with a violent bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptom, appeared, night and morning coughs, night sweats and short breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did me no good. I lost all hope of life and was an object of pity to all my friends. Last September I purchased a bottle of your EMULSION and before it was all taken I was better. I afterwards bought a dozen bottles, with the following results: Coughs subsiding, night sweats stopped, appetite returned, pains in spine disar peared, strength returning, and my weight increased from 18 to 140 pounds in sixteen weeks. I have taken no other medicine some friend on the street who asks, "What cured you?" and I answer, "Scott' Education of Cod Liver Oil. etc." I have a friend who has not spoken aloud for 15 mouths, and he is getting better. I gave him a bottle and he bought two more, then got a dozen, and says it is food and medicine for him. He was given up to die a year ago; but he is improving new wonderfully. My recovery is exciting the surprise of many people, and shall do all I can to make known your valuable medicine.

Messes. Scott & Bowne — Lynn, Randolph Co., Ind., July 2, 1878.

About the 25th of last April I got a bottle of your Emulsion and at that time I was so prostrated that no orwho saw me thought I could live longer than a few weeks at most. I could retain nothing on my stomach and was literally starving. I commenced the use of the Emulsion in small dose; it was the first thing that would stay on my stomach; I continued its use, gradually increasing the dose; and from that hour I commence mending, and now am able to ride and walk, and am gaining flesh and strength rapidly. I have advised other parties to try it, and some two or three have already tried it. I am sure I shall entirely recover.

I am gratefully vours. I am gratefully yours,
