

**Thinking of Building a Silo ?
Better Build it
of Concrete**

THE construction of a Silo affords an excellent example of what the farmer can do with Concrete—and of the superiority of Concrete over all other material for various structural work about the farm.

The usual wooden silo, besides being expensive, is far from satisfactory. In the first place, it does not endure; and, more important still—being far from weather-proof—its contents become water-logged—producing an unsanitary condition.

A Silo built of Concrete, on the other hand, is practically everlasting—it is proof against heat, cold and moisture—and it has the merit of comparative economy.

This economy feature is further explained in our free book—"What the Farmer Can Do With Concrete."—which tells how to mix and use Concrete for the making of silos and other buildings on the farm.

SIGAWAKE NOTES

A very pretty wedding took place on Monday the 24th at St. Paul's Church, Sigawake, when Miss Winifred M. Robinson second daughter of Mrs. Geo. Robinson was united in marriage to Mr. Asa Dow of Port Daniel. The bride looked very pretty dressed in navy blue taffeta silk with hat to match and carried a bouquet of beautiful flowers. She looked charming and was given away by her brother, James P.

Miss M. A. Dow sister of the groom was bridesmaid and was attired in white silk with hat to match. Mr. Leslie Bisson was groomsmen. The bride's sister, Miss Florence E. played the wedding march and two hymns, How Welcome Was The Call and Oh Father All Creating. Rev. Mr. J. W. C. Prout performed the ceremony. After the marriage was over the happy couple and invited guests drove to the bride's home where lunch was served, and from thence to their home in Port Daniel where the young couple intend to reside. A large number of beautiful presents were received showing the esteem in which the young people were held. The groom's present to the bride was a ten dollar gold piece.

"HUMAN HEARTS"

Successful in its tenth season can be said of few plays but it can be said truthfully of "Human Hearts" A drama which provides healthful recreation for the public and which seems to instruct while appearing in the form of amusement, is a boon to any community. So many questionable forms of amusement are thrust upon the public, the young and old alike find much in this beautiful living story to think over and enjoy long afterwards. Rich in incident, in its variety of characters, in its stage settings, it is one of the few attractions of great merit on the road. (The spectator is carried into the delightful atmosphere of life in the hills of Arkansas. The trouble which falls upon the simple folk of the Logan Farm, reminds one of the line—"The Trail of the Serpent." Wait. The author has struck many true notes in this play and the well chosen cast blend their harmonies with fine effect. It is with pleasure that Manager Russell announces "Human Hearts", Opera House, Monday, May 19. The advance sale now on at Dickson & Troy's. Regular prices will prevail.

He leaves besides his widow, one son, at present manager for O'Leary and Montgomery at Loggieville, and four daughters, Mrs. C. L. Fedderson, Mrs. Dr. Ellis, Muriel and Lou; also two sisters and two brothers, Mrs. O. A. Barberie, of Campbellton and Mrs. D. H. Woodworth, of Seattle; C. C. Brown, of Revelstoke, B. C. and Frank Brown, of Seattle. Mr. Brown was a man who was respected by all who knew him. He was a good citizen and a good neighbor, and will be very much missed.

An interesting race was started last Saturday at Jacquet River. There were four starters. Three gave up 100 yards from the starting post, but the fourth (Dempsey) did not stop running till Tuesday when he was rearranged away back in the woods. He wont get much of a start the next time.
