Needs Half-Million To Carry on Work

Salvation Army will have the Goodwill and Admiration of All

The Salvation Army appeals for half a million dollars to enable it to carry on and to extend its work. In this it will have the goodwill and admiration of all who care for arduous work zealously undertaken, whatever their rank or their race. China, India, Africa, America, England and Central Europe will hope for the success of this Appeal as strongly as will Canada. That is a great hold on mankind for any movement to have secured in half a century. It is the more remarkable when it is remembered how dark, in the material sense, were the Army's early days—how the discredited, disreputable, and disesteemed of its methods, and how the hooligan element in the slums where it worked even organized counterbores to wreck its Meetings. Its triumph has been based on qualities that must always command the admiration of mankind—a tremendous zeal, an unquestioned sincerity, and an infinite charity which takes no account of race, creed, social standing, or moral failings. These are the principles that have inspired the Army's work. In later years it has stood for much more than a crudely emotional appeal to the sinner to be a "better man." It has gathered round itself a vast plan of social reform in which Hospitals, Dispensaries, Day-schools, and Leper Settlements have their part. It is for the extension of this work that the Army makes this large claim on the support of the nations. We believe that it is amply justified.

Rod And Gun

The leaping brook trout painted in natural colors on the cover of the May issue of **ROD AND GUN IN CANADA** will quicken the pulse of every nature lover. This issue of Canada's leading sportsman's monthy contains the first installment of Harry M. Wood's thrilling story of adventure entitled "The Silver King." "The Kananaskis Lakes" is the title of an interesting fishing story from the Elbow River valley; it has seven clear cut photos to illustrate it. Bonnycastle Dale tells in his own gripping manner the story of the wild cat, its range and habits throughout Canada. S. C. Cain humorously relates the story of four fishermen on a week end trip to Lake George after bass. The Guns and Ammunition and Fishing Notes Departments are up to their usual high standard in this number. A valuable addition to the fishermen's equipment is the new fishing season ticket for the Dominion. **ROD AND GUN IN CANADA** is published monthly by W. J.
