"THE LARGER LIBERTY"
Premier King talks of "larger li-
berty and greater freedom". His
conception of this is said to have
been illustrated in the aftermath of
the Lanark bye-election. It is said
that electors who accepted the
"larger liberty and greater freedom"
doctrine now find that it is restrict-
ed to voting for government candi-
dates. It is reported that many electors
who exercised the freedom of fran-
chise and voted for Dr. Preston are
now paying the penalty by being dis-
missed from their jobs. Lanark elec-
tion exploded Mr. King's professions
of democracy by the attempt to pur-
chase the electors with government
contracts and by the punishment
meted out to those who refused to
be bought.

HELP HELPLESS BLIND BABES

Dominion Charter, without stock
subscription, was recently obtained
for the establishment in the city of
Ottawa, of a Home Nursery, Hospital
and Kindergarten, for the blind under
six years of age, free to all from any
Province in the Dominion. So far
nothing has been done for those poor
unfortunates. According to reports
received from the various Provincial
authorities, there are at present near-
ly 250 in the Dominion. The late
Sir Arthur Pearson, before his death,
claimed that "Sunshine Home," at
Chorley Wood, England, was "the
only home in the Empire for blind
babies." It is hoped shortly to have
the SECOND in Canada. To this end
money is urgently required. Help us
with your generous gift. "Lest we
forget; Do it now!" Cheques should
be made payable to the Canadian
Blind Babies Home Association. Re-
mittances will be promptly ac-
knowledgeed.

Lath Business Is On Increase

Indicative of the boom conditions
in the lath business, is the reported
decision of the Fraser Companies,
Limited, to increase their daily out-
put from 1,000,000 to 1,300,000 daily.
The market is largely in the United
States.

The Fraser Companies are operat-
ing many of their mills this winter
for the manufacture of laths, and
equipment is being added to several
of their plants including the Victoria
Mills in Fredericton.

In taking advantage of the hydro
electric power available from the line
from Nipisiquit Falls, near Bathurst,
the companies are operating a new
lumber mill on the Miramichi, not far
from their Nelson plant. Estimates
of one hundred and fifty million feet
and in addition large quantities of
pulpwood for the pulp mills at Ed-
mundston and on the Miramichi are
being taken.

QUEBEC'S NEWEST MONUMENT

TO the many artistic monuments
to be seen in the city of Que-
bec, out of which those of Cham-
plain on the Terrace and Mgr de
Laval in front of the Post Office,
are not the least, another will soon
be added which will be of no or-
dinary interest, as it will be erected
to the memory of one of the greatest
personalities in the contemporary
history of French Canada. Car-
dinal Elzéar Alexandre Taschereau,
the first Canadian to become mem-
ber of the Holy College of Rome,
will shortly have his statue in his
good old Quebec, the city he loved
and cared for during his lifetime,
and upon which was reflected so
much of the glory he gathered by his
rapid ascent in the hierarchy of the
Catholic Church. Cardinal Tasch-
ereau was appointed to that high
state in 1896 and he died in 1897. He
was succeeded by Mgr. Bégin, who
was later awarded the scarlet robes
of office.

It had long been the earnest de-
sire of the citizens of Quebec to have
the memory of their beloved cardinal
recalled in a more material fashion,
and for that purpose a public sub-
scription had been organized some
time ago to defray the cost of such
a memorial. When sufficient funds
had been collected, a contest in
which many noted sculptors from
America and the old world partici-
pated, was held, and from the models
submitted by these artists, a com-
mittee selected the design of the
Statue which will later be unveiled
on the Place de la Basilique, in
front of the famous old temple of
Quebec.

Its author is a French sculptor
of renown, Mr. André Vermare of
Paris, who has been engaged in
making many of France's best known
monuments erected in recent years.
One of them recalling the fame of
the "Blue Devils," the celebrated
Alpine regiment of France, stands on

the summit of Guetwiller and is much
admired.
Shortly after the election of the
committee was made known, Mr.
André Vermare landed in Quebec
with Mr. Maxime Roisin, the archi-
tect who is going to design the
pedestal of the Taschereau memorial.
Mr. Roisin, also, has attained a great
reputation in his country as a master
of his art. His last work of import-
ance is probably the triumphal arch
which will soon be built on the road
from Bar-le-Duc to Verdun, to im-
mortalize the glorious stand of the
"Poilu" on what was then known as
the "Hell of Verdun."

The two French artists, who left
Quebec for their own country a
short time ago to proceed with their
work on the Taschereau memorial,
took the opportunity of their stay in
the old city of Champlain to collect
some valuable information regarding
the life, ways and character of the
late cardinal, such information being
