ing often and sincerely that the Jacob at once began to prepare the priest. himself for it. He performed faithfully all such little tasks as replied: were alloted to him, and let no day pass without spending some time in the church, in prayer before the tabernacle and the statue of the Virgin Mother with

the Divine Child in her arms.

"Now, this statue was very old, the work of a great master and was thus valuable from an artistic standpoint; but it must be confessed it was not very beauti ful. So, as least, thought little Jacob, who, as he sorrowfully contemplated the thin, pallid features of Jesus and Mary, felt that they must be hungry, so attenuated were their faces and forms. When he looked at them the tears would come to his eyes; and one morning, secreting a piece of bread from his break-

and laid it on a little plate beneath the statue, saying: "Eat that now, Holy Mother,eat it, and give a little to the dear Infant Jesus. I have not stoler it,-no indeed. I saved the hall of my breakfast and brought it to you. After this I will fetch

you some every day." "When he returned to the church in the afternoon he was delighted to see that the bread had disappeared. From that time little Powders give women prompt re-Jacob daily took part of his lief from monthly pains, and breakfact to the Blessed Virgin have no bad after effects what and always in the afternoon the bread was gone. But to his surprise and regret, the faces of Mother and Child appeared as thin and pallid as ever. At length

thus accosted his benefactor: "Father, for a good many days now I have given half my break fast to Jesus and Mary in the Church, because they look so pale and thin. I know they must be nungry. But, though they eat the bread I leave for them, they are as thin as ever, and I an afraid they will soon die of hunger; at any rate, they will become

For the information of our many patrons, in both town and country, we deem it necessary to announce that the Coal Business, successfully carried on in the past by the Itae Mr. Charles Lyons, will be continued by the Estate, under the old firm name of C. Lyons & Co.

By maintaining a high standard of service and by courteous and honest treatment of the public, this firm has, for a period of more than a quarter of a century, enjoyed a large and ever-increasing pa. tronage; and in announcing our intention of "earrying on," we desire, most earnestiy, to give expression to our appreciation thereof. We are deeply grateful to the firm's many patrons for their constant manifestation of confidence in it in the past, and we assure them that if they favor us with a similar evidence of their good-will in future there shall be no economy of effort on our part to make our intercourse both pleasant and profitable to them.

As we possess almost unlimited facilities for supplying the coal trade, and as we are desrious of extending our already large business, we respectfully invite the patronage of new customers; and if we succeed in thus increasing our present connection, we guarantee that we shall be indefatigable in our endeavor to justify the confidence of

We again thank our patrons for their past generous patronage, and respectfully solicit a renewal of their esteemed custom.
