Horrible Tragedy

Edwin Miller, of Portugal Cove, Cuts His Throat With Scythe and Dies From Loss of Blood.

A terrible tragedy occurred at Portugal Cove at 11 a.m. to-day. Edwin Miller, a young man of that place, was out cutting hay in his field, when he evidently became insane, and walking towards the barn slashed his throat terribly with the scythe which he was using. His brother discovered him near the barn, and summoning help the unfortunate man was borne to his home. The police were notified of the terrible occurrence by the local constable, and Supt. Grimes notified Dr. Chaplin who drove quickly to the place, arriving in 40 minutes after he had left St. John's. He was too late to be of effective service, as by the time he got there the man had practically lost all the blood in his body—the jugular vein having been cut. He died at 120 p.m. from the effects of his injuries. He leaves a mother, wife and 5 young children. The awful affair has cast a pall of sorrow over the settlement.

King Edward's Religion

The Dublin Daily Express has published the following letter from the Archbishop of Canterbury to the Dean of Quebec, who had forwarded the Archbishop a cutting from the New York World containing a rumour that King Edward had died in the Roman Catholic faith:—

4th July, 1910.

"My dear Dean of Quebec.—You have called the Archbishop of Canterbury's attention to a preposterous and baseless rumour, which, you tell him, has obtained currency in some quarters about King Edward and the Roman Catholic Church. For the Archbishop to take to the woods, by way of increased importance and currency to an allegation which can only have emanated from some ignorant or malicious person. It must be as painful to the authorities of the Roman Catholic Church as to others that reports so totally devoid of foundation should, on the strength of anonymous newspaper paragraphs, find currency anywhere.—Yours faithfully,
J. V. MACMILLAN, Chaplain."

Boat Sank Under Him.

After practising with the Chronicle's crew this morning early, James Howard, son of Captain Howard, pilot, was out in the Quidi Vidi Lake from the north to the south side in a small boat to go home. He did not notice that the boat was trapped with the sea and coming quickly to his aid took him off the boat which was taken in two and brought ashore. If such a young man might have had a narrow escape from drowning.

Mass at Belvidere.

Some thousands of our Roman Catholic fellow-citizens assembled at Belvidere Cemetery this morning and were present at the High Mass of Requiem offered up in the Mortuary Chapel there for the repose of the souls of those interred in the "city of the dead" near. Rt. Rev. Monsignor Roche was the celebrant, assisted by the clergy of the Cathedral and the Deanery of St. Patrick's. The cemetery now presents a beautiful appearance as the friends of those resting there had embellished the burial plots with flowers and otherwise attended to the graves.

Slaughter Houses.

Most of the city butchers received certificates from Inspector O'Brien, of the Board of Health, yesterday, showing that their respective slaughter houses are fit places to dress animals for meat, and that the rules governing the management of slaughter houses are complied with. In a few cases certificates are withheld for the present. Under the existing rules there is little doubt but that consumers will get clean meat.

Police Court News.

In the police court to-day a woman named Maria Norris summoned one S. Milley for indecently conducting himself before her while out in the country on the 25th inst. The case was fully proven and the accused was fined \$10 or 30 days.
An assault case between two men residents of Kelligrews over a dispute about land ended in the defendant being fined \$10 or 30 days.
A SUSPICIOUS PROWLER.—A resident of Leslie Street left a couple of days ago with his wife and family for a holiday over the bay. A domestic was left in the house in company with a lady friend, and last night noticed a man prowling about the place. The girl summoned her brother who remained in the house all night. If the intruder re-appears he will get a warm reception.

GOOD PROSPECTIVE MATCH.—This evening the Feildians and St. Bon's football teams meet on St. George's Field and a stubbornly contested game is looked for. Both are excellent teams and the outcome of the match will have a decided bearing on the result of the League matches.
MC DONALD BIG CATCH.—Skipper M. McDonald in his schooner the Western Lass arrived at Salmonier Sunday with the splendid catch of 150 qts. of codfish for 10 days' work at the Cape. The McDonalds are possibly the best fish killers in St. Mary's Bay and will be easily high liners this season.
MILDRED'S GOOD RUN.—Job Bros. bargt. Mildred, Capt. Wiltshire, passed the Narrows Tuesday last just 13 days out from Oporto to Harbor Breton. Time to Act.

Surely the drowning fatalities of Monday and Wednesday will force home the urgent need of safe provision for boys swimming and bathing. After the drowning incident at Sandy Bottom, Quidi Vidi, some years ago public conscience seemed to be sufficiently quickened to stir up those in authority to do something. Something indeed was talked of, but nothing was done. Difficulties were raised about the extent of the City Council's jurisdiction and the matter was dropped. The toll of young life which has been exacted since that time, and which has stirred up the public mind more keenly the last few hours, should inspire a renewal of effort to provide safe bathing and swimming pools for our boys, even though we may not be able to provide for the construction of public baths in the city.

It has been suggested to us that a bathing pool could be settled on for each end of the city. Something should be done to make it safe in the way of grading bottoms and marking out depths, and by the hiring of an expert swimmer and diver for each place who would be there at stated hours, provided with a boat, life buoys, life lines, &c., and bathing and swimming could be prohibited out of these hours. The wages for the hire of two men for two months, and the initial cost of boat, lines and grading would not amount to much. Even economically it would be cheaper than the loss constantly incurred by the sacrifice of young lives in the first flush of youth and manhood. So that even from the most sordid of motives the community should do something. But Humanity itself calls upon the community to be up and doing, and to prevent the needless loss of life by providing safe pools for our boys.

Come, gentlemen of the Council. Come, members for the District of St. John's. It is up to you to get a hustle on, and do something to avert the Government and the Municipal Council to co-operate to lessen this deplorable loss of life.

Drowned Lad Interred.

At 2.30 p.m. yesterday the remains of Master Charles Devine, son of Mr. P. K. Devine of the Telegram reportorial staff, whose sad death by drowning Monday afternoon, caused widespread sympathy for his parents, was interred in the family plot at Belvidere Cemetery. The funeral was attended by a large number of citizens and the body was enclosed in a beautiful casket of polished oak with mountings of bronze. Many wreaths and floral offerings adorned the bier. At the R. C. Cathedral Rev. Fr. O'Callagan recited the prayers for the dead and administered the final absolution.

Band Hold Excursion.

The band of the British Society of Hr. Grace held an excursion to Bell Island on Tuesday and fully 150 persons went over to the place and had a very enjoyable time. Sports of various kinds were indulged in, dancing was a very interesting feature, this excellent musical combination gave some nice selections, and the affair was a complete success.

Prisoners Give Police a Chase.

Sergt. Byrne and officer E. Quinlan arrived here by the Bruce express to-day with the two prisoners, Walsh and Skeans, from the Penitentiary, where they will serve 3 months hard labor. The officers arrived at Whitbourne at 4 p.m. yesterday, and the prisoners, who were staying there, immediately took to the woods. Byrne and Quinlan ran after them and after an exciting chase of fully half an hour's duration they captured the men. They then boarded the train took the men to Holyrood and this morning they were brought before Magistrate O'Toole. They were charged (1) with breaking into and stealing provisions, clothes, tobacco, bottle of rum, &c., from Mr. Martin Sharpe's store at Rantem; (2) breaking open and entering upon the premises of the railway and stealing four shirts, pants, stockings and coats, which they had on their person and were wearing; and (3) also breaking into another camp and stealing provisions, clothing, etc., from this. They pleaded guilty to each charge and were fined \$10 or 30 days for each offence, or an aggregate penalty of \$30 or 3 months.

Woman Insulted.

About 9.30 last night a woman passing along Duckworth Street near the Court House was insulted by a well known character who has already "done time" for similar conduct. A gentleman passing saved the woman from further indignities, and the scamp who molested her made himself scarce. This particular part of Duckworth Street is the stamping ground at night for persons of questionable character and no doubt the police will give some of these a fright.

Mayor Will Act.

We have it from Mayor Ellis to-day that he will take the initiative in devising a means by which public swimming places can be erected for the youth of the city and, if possible, obviate further drowning accidents. What will be done has not yet been determined upon, but the matter will likely be taken up by the Municipal Council immediately. If such is done our City Fathers will have the blessing of all the parents in the city.

Two Bankmen Missing.

Mr. H. W. LeMessurier, Assistant Collector of Customs, had the following message from Belleoram to-day: "Schr. Alan F. Rose has two men missing. They left to haul their trawls on the Bank during a fog on the 16th inst." Though the names of the men are not given they are known to be founders, and if they are not on board of a vessel still on the Banks the poor fellows must be lost.

The full Battalion of the Methodist Guards will parade at headquarters on Friday 29 inst., at 1.45 p.m. sharp, to attend the funeral of Private Wm. Joyce.—By order, G. C. E. S. Arty, Lieut. & Adjt. II.
