Wedded Yesterday.

THOMSON-CLOUSTON.

The wedding of Miss Eugenie Thomson, daughter of Mr. W. A. Thomson, of Leslie Street, and Mr. Walter S. Clouston, son of Mr. W. Clouston, Water Street, took place at "Walton Cottage," the residence of the bride's parents, at 3.30 last evening. Rev. J. W. Bartlett officiated in the presence of a large gathering of the friends of bride and groom. At the conclusion of the ceremony the wedding march was beautifully rendered by Miss Florence Pratt. The bride looked very pretty in cream silk costume, richly embroidered, and wore a bridal veil with orange blossoms. She bore a bouquet of roses, maiden hair ferns, sweet peas and chrysanthemums, and was attended by her sister, Miss Violet Thomson, and Miss Margaret Clouston, sister of the groom, as bridesmaids. Both were attired in white silk and carried choice bouquets. Miss Clara Thomson was flower girl and Master Josie Pike acted as page. The rooms were tastefully decorated with ferns and flowers, and the "joining of hands" took place beneath a handsome floral bell. After refreshments had been served the bride and groom, accompanied by a large number of their friends in carriages and motor cars, drove to Mount Pearl where they joined the train for Avondale to spend the honeymoon. The presents were numerous and useful attesting the popularity of the newly wedded couple. The groom's gift to the

bride was a gold locket and chain with diamond setting, and to the bridesmaids gold pendants and chains. The Telegram extends hearty congratulations to the bride and groom and wish them a long and happy wedded life.

Lost at St. Pierre.

The little schooner Terra Nova, well known here, came to grief at St. Pierre on Friday last. She was commanded by Capt. Kehoe, of Caplin Bay, and her crew narrowly escaped drowning. The schooner was bound from St. John's to Cape La Hève with supplies, and the night before she was lost she met a heavy gale and lost her jib and foresail, with other gear and the mainmast was also torn. Capt. Kehoe then determined to lay too for the night, but after attempting to do so had to "bout ship and run before the gale. As she ran several seas boarded and threatened to swamp her, beating in the cabin companion and taking everything moveable from the deck, while the sight of the rushing flood burst up the mainmast. Shortly after she was in under Gallantry Head on which a heavy sea ran, and the vessel struck heavily. The men had a hard time of it, barely escaping in their dory, lost all their belongings, and were kindly treated by the St. Pierre people.

BROUGHT TO HOSPITAL.—Mrs. Power, of Branch, came in by train last night to go to the General Hospital for treatment.

A Paper Chase.

Yesterday afternoon the members of the Motor Cycle Club held a paper chase. There were twenty "hounds" following the two "hares"—Dr. Smith and Harold Harvey, who started off in the lead at 2.45 p.m. near St. Thomas's Church. They took the road for Topsail, the motor cycles going at full speed. All arrived at the club house in Topsail without a mishap, the hares having given the hounds a hard, unremitting chase. A sumptuous tea was provided at the club house which all enjoyed thoroughly. The Cycle Club members were all well pleased with the "hunt" and are anxious to have another very soon.

This is to certify that I have used MINARD'S Liniment in my family for years, and consider it the best liniment on the market. I have found it excellent for horse flesh.

A Return Match.

On all sides yesterday the hope was expressed by those who witnessed the cricket match, City vs. Shamrock, that a return match would be played at an early date and if thought advisable for the same worthy object. If it should materialize our people would like to see it played in a place where the regulation boundary could be placed and where both teams would have to run in a more strenuous manner than that of yesterday. Come, gentle, give us another match; use your cocoa matting and select good old Pleasantville as the site. The people will flock there to see it, as it is only a pleasant walk from the city.

S. A. Captain Gone to the Hospital.

Captain Woolfrey, of Moreton's Harbor, Twillingate District, who has been in the Salvation Army for some time, and who was last stationed at Fortune, arrived in Town by Tuesday night's train. He is suffering from internal trouble, and his constitution is impaired, due to his strenuous work. His many friends are hopeful that his time in the hospital will be short. He was admitted there to-day.

Blackall's Report on the Church of England Schools.

Mr. J. W. Withers is a very thoughtful writer, and his comments on this excellent and exhaustive report are all very admirable, but no one seems bold enough to point out that over all our educational system is the curse of sectarianism and division. We are the oldest Colony of the Empire and the only one in North America that has not got a University. Even a young stripling like Manitoba has one thoroughly equipped on modern lines. Every Newfoundlander should be taught the History of his own country. We have no suitable text book for this purpose. We are a seafaring people and all our boys should be taught geography, and at least the rudiments of navigation. We have no such text books. Mr. Withers suggests a book on Fishing, an admirable suggestion. Let us be practical. In modern education, especially in England, Germany, the United States and Canada, Manual Training now forms a leading part in education. In the Dominion a Newfoundlander has invented the very best and most ingenious apparatus for this most practical and desirable form of education. We have some form of manual training in our city schools, but it should be adopted generally all over the Island.

Roosevelt on the War Path.

Special to Evening Telegram.

SAN SEBASTIAN, Aug. 24.

Theodore Roosevelt's notice to-day that he would wage war without quarter on the "Old Guard" of the Republican Party in New York State, having been drawn into the fight, as he says against his will, he has determined to pursue it to the end, win or lose. Col. Roosevelt's attitude was indicated more clearly than at any time before by a statement which he issued to-day. The statement is as follows:—"They will have all the fight they want. I am only going to the Convention because I feel that the public interests, the interests of the people of New York demand that the Republican Party be given a chance to stand squarely and uncompromisingly for clean, decent politics. I go to that Convention to make the speech exactly as it has been originally planned, and while I hope there will be enough good sense to prevent any one opposing the principles for which I shall stand, yet if they do oppose them, then it is their own affair, and so far as I am concerned the issue shall be absolutely clean cut."

The Vatican and Spain

Special Evening Telegram.

SAN SEBASTIAN, Aug. 24.

At a Cabinet Council meeting held to-day, which was presided over by King Alfonso, who had just returned from abroad, Premier Canalejas read a telegram from Marquis De Gonzales, Councillor of the Spanish Embassy at the Vatican, announcing the receipt from Cardinal Merry Del Val of a long note answering a number of points raised in the last Spanish note and expressing at length the Vatican's grievance against the Spanish Ministry. Premier Canalejas declared that although he did not know the exact tenor of the note it would in no way effect his policy. "Whatever reasons are put forward by the Vatican," he added, "the Government will not change the attitude it has maintained since the beginning of the conflict, which attitude always has been correct." The Premier concluded by saying that the text of the note was too important to risk causing errors in it by telegraphing, and that therefore it was expected to reach Spain at the end of the week.

Annexation of Corea.

Special to Evening Telegram.

TOKIO, Aug. 24.

The text of the Convention under which Corea, the Hermit Kingdom, is annexed to Japan was communicated at 11 o'clock this morning to the Powers. The document, which according to now established facts, was signed August 22nd, will be effective when officially promulgated. This will occur according to some of the Ministers on Aug. 29th or 30th, when the independent existence of the little kingdom, the struggle for whose control started the Russo-Japanese War, will cease.

Salvage on Bedford.

Special to the Evening Telegram.

TOKIO, Aug. 24.

Salvage work on the British cruiser Bedford which ran ashore on Sunday morning during a dense fog, was commenced to-day according to information given out by the Japanese Admiralty. The heavy sea running at the time of the wreck had hitherto interfered with operations on the ship by the fleet of Japanese warships and salvage vessels, and had even forced two British cruisers which had anchored near the wreck, to hoist anchor and put to sea; the water is now fair.

Crippen on Megantic.

Special Evening Telegram.

LONDON, Aug. 25.

The London morning papers print wireless despatches from the White Star steamer Megantic which say that Dr. Crippen and Ethel Le Neve are making the voyage from Quebec to Liverpool in complete seclusion from the other passengers. It is understood that the prisoners will be landed secretly either at Holyhead or by private tug in the Mersey. The customary permits to board the Megantic at Liverpool when she arrives have been withdrawn.

Obituary.

When it became known last evening that Mr. Laurence Hanford had died at the General Hospital, where he had gone to be treated for appendicitis, sorrow was expressed all through the city, but especially in the West End where deceased had hosts of friends. Mr. Hanford for many years conducted a drug business at the store now occupied by Mr. Peter O'Mara, and was noted for his kindly and affable disposition. He served his apprenticeship at McDurdo's, and was an expert in his profession. He married Miss Irene Perez, daughter of the late Capt. Perez, who with four children survives him. He also leaves a mother, one brother, Mr. Stephen Hanford, of the Power House, Petty Harbor, and two sisters, Mrs. Capt. Couillard and Miss Hanford, Asst. Matron at the General Hospital. To the bereaved family the Telegram extends its sincere sympathy.

On Saturday, August 20th, Mr. J. Fitzgibbon, manager of the Royal Stores, joined the ranks of married folks. He took as his partner Miss Pauline Kemp. At 1 p.m. they drove to the Sacred Heart Church where the ceremony was performed by Revd. Mr. Reardon. The bride was handsomely attired in a suit of cream silk and was given away by her brother Mr. T. P. Kemp. She was supported by her sister Miss M. Kemp, and Miss C. Fitzgibbon, (sister of the groom), who wore blue silk muslin. Mr. H. J. Brophy acted as best man. Strings of flags crossed the streets in different places and the continued sound of musketry, showed the esteem in which the couple were held. A dinner was held at the residence of the bride after which the happy couple left by the train for Holyrood to spend their honeymoon. The presents were numerous and costly. The writer joins with others in extending a happy future to Mr. and Mrs. Fitzgibbon.

Nerves at High Tension

Slight extra strain means collapse—Restoration obtained by using DR. A.W. CHASE'S NERVE FOOD

The successful men and women are often of the high-strung nervous type—keen and active—but with too little reserve force.

A little extra worry and anxiety and snap goes the nervous system. Weeks and months are often required before energy and vigor are regained.

Rest helps, so does fresh air and exercise, but the blood must also be made rich and red by use of Dr. A. W. Chase's Nerve Food.
Mr. Wm. Branton, Victoria St., Strathroy, Ont., writes:—"My nervous system seemed all unstrung. I could not sleep, had no appetite, my digestion was poor and I had jerking of the limbs. Dr. Chase's Nerve Food helped me and I continued until I had taken twenty-four boxes. This treatment has made a radical change in my condition, building up the system and strengthening the nerves." Dr. Chase's Nerve Food, 50 cents a box, all dealers or Edmanston, Bates & Co., Toronto.
