**Spring Announcement!**

"Like a bold champion I assume the lists,  
 Nor ask advice of any other thought,  
 But faithfulness and courage."

The winter frost and snow have lent their aid in harvesting the product of the forest. The logs are now gaily bounding through the open Rivers on their way to meet the onslaught of Circular and Gang Saw. The result will be Lumber in galore, and of the best.

The clean atmosphere, high winds and warm sun of Notre Dame Bay have united to provide the seasoning process in perfection, so that our 1910 stocks arrive here clean, bright and dry. Already several large cargoes have been landed at our wharves, St. John's, in spite of a late spring. Others are in course of transit.

We call upon our friends in St. John's, and through the length and breadth of the country to send us their orders.

**Alpaca for Dresses Wears Well.**

**A**LPACA is an ideal summer fabric—because the rich, smooth, lustrous surface, gives the wearer a refined, aristocratic appearance, and the nature of the surface does not allow the dust of the street to adhere, therefore garments made of it, always look bright, clean and new.

The Peruvian animal which produces the wool for this fabric, is noted for its lustrous silky wool, and the long fiber of the wool ensures satisfactory wearing qualities. The alpaca cloth will retain its silky appearance, because it is natural to the wool, and not artificially produced, as you will find in so with some fabrics.

Children's Coats, Dresses, Women's Costumes, Skirts and Blouses made of Alpaca look handsome, and for street wear, one of the most serviceable fabrics you can buy.

We can give you this reliable and good wearing, stylish, Alpaca Cloth in the following prices and colorings:—

**CREAM**, all prices from..... 50c. to 90c. a yard

**DARK GREEN**, prices..... 45, 65, 90c. a yard
