**HAVE YOU
READ IT?**

Not Then you have missed one of the best Novels of the day.

Queen is a solitary, pedantic young man who drifts mysteriously into a Southern City, settles down in a boarding house and applies himself to the composition of a learned work on "Evolutionary Sociology," oblivious of all human interests and associations.

By degrees, the life around him begins to touch him, first at one point, then at another, until in the course of time, he develops into a full fledged hero of an uncomprehendingly admirable and attractive sort, editor of the important newspaper in the city, and at the last, the successful lover of one of the most sterling heroines in fiction. An intensely human story, original, stimulating, permeated by a delightful humor and a charming spirit.

You get it in cloth, 50c.; 2c. more if mailed.

**The 'Leader'
Grafonola!**

The "Leader" is a veritable triumph of the "Columbia" Company's. It is a beautiful instrument and possesses all the charm of the Grafonola at its very best.

It has full, rich, mellow tones that can be subdued at will, so as to make it suitable for a small room, or again can be made to produce a magnificent volume of sound that just as easily fills a large hall. The

"Leader"—which well merits its name—forms a handsome grand opera records on it.

Price: \$100.
