BUY YOUR Floor COVERINGS

—FROM—  
**BLAIR'S**  
 Because they will Save you Money.  
 They are offering a big variety of patterns in the New American Floor Coverings at  
**\$1.10 yard.**

You can buy these same Floor Cloths somewhere else for \$1.20 and that is the usual price, but Blair's say September being a kind of a quiet month they can easily cut more Floor Cloths than, so the cut in the price cuts two ways.  
 They say according to the prices the manufacturers are now quoting, these coverings would cost them all this to land.  
 They show a big range of Block and Floral Patterns, as they have the manufacturers of three different makers, viz.: Congoleums, Feltoleums and Neponsets, and show the best patterns of each make. These are much better than cheap Floor Canvases, of which the cheapest to-day is about \$1.00 per yard.  
 This is mainly because the basic material for Cheap Floor Canvas is Burlap or Brin, and the immediate demand for that is tremendous. It is estimated that for the making of sand bags and the wrapping of foodstuffs, etc., for the Army, that the British Government calls for sixty million square yards per week. Therefore the price of brin has more than doubled. But Blair's are trying to help you all they can on prices, therefore remember—
