ARE MORE BECOMING THAN FLAT LENSES.

The edges of Toric Lenses do not show as prominently as those of flat lenses. They fit in close to your eyes. You will find Torics much more becoming and useful. They give you a wider, clearer field vision. You should know about Toric Lenses. Let us explain them.

THE VERY LATEST AT GARLAND'S:

The Baked Bread,

By the author of "Boy of My Heart."

PAPER, 65 cts.; CLOTH, 90 cts. There are few friendships more beautiful than that between mother and son, and rarely has it been more intimately and faithfully described than in this haunting book. The story of a clever, handsome, active, self-willed boy's twenty years of life told only as a proud, just and loving mother could tell it.

A true and human and very beautiful story in "Boy of My Heart," 85c.
