AFTER A FIRE
The first question asked, HOW MUCH INSURANCE? NONE. Poor beggar, ruined for life. You have heard it. It is no use looking for sympathy for it is only found in the Dictionary. Are you content to take the risk of losing your life's savings for the sake of a small sum of money payable yearly? Average one dollar a month for \$1,000.00. Is it worth it? We represent **THE CONTINENTAL INSURANCE CO.** of New York. Assets \$40,857,877.57. A particularly strong Fire Company. Other companies talk Service—we GIVE Service. RECOGNITION.
The care of the teeth is now recognized as a necessity. In fact the large hospitals all over the world examine the patients' teeth and where it is possible put them in good condition before attempting a surgical operation. Experience has shown that the patient has a better chance for recovery with a clean healthy mouth than without it. This ought to convince the most skeptical that care of the teeth is requisite to health.

NEW DRESSES FOR OLD DOROTHY DRESSES
There's one way to save up silver and gold, and that is to get some new dresses for old. Dorothy
YOU will spend less money for clothes when you get acquainted with Dorothy's manner of keeping her wardrobe up to the style mark. If a dress isn't in style she alters it and has it cleaned by us. Sometimes she buys a new hat to match it and sometimes she retires an old one. And dyeing disguises some of Dorothy's last year frocks, but who'd know it.
